"Lake Explorers" Monitoring Cruise

Ithaca Farmers Market, 545 3rd St, Ithaca, NY 14850

Help us Learn about the Lake!

"If you want to know more about the state of your lake, these cruises are for you! Join our crew, interns and volunteers each week, for a dive into timely issues on the lake. Together we'll collect observations and data, and encourage you to get involved with citizen science, water quality and biological sampling activities. This is how it's done. "
