VOLUNTEERS SOUGHT FOR CORNELL STUDENT RESUME REVIEW

In recent years, the Ithaca Section has provided guidance on authoring resumes to Cornell Civil Engineering students, with follow up one-on-one review/comment sessions with civil engineering professionals. This year the resume review virtual presentation with students was held on October 13. The review/comment sessions are scheduled for Tuesday, October 26 and Wednesday, October 27, both evenings from 6-8 pm. If you are a practicing civil engineer, share your valuable experience with these future engineers by volunteering a couple hours of your time and help them succeed in their job search. You can register in advance for one or both of these sessions at this link: https://us02web.zoom.us/meeting/register/tZMtc-6pqDsrG9UYaPNTkZnrwQ10_q8pjEbM
