## **SPOUSES AND FRIENDS NIGHT**

**A Free Wine Making Class for Beginners**

*Bring your spouse, some friends, and family!*

This class will begin with a discussion of the general winemaking process and applicable terminology. Immediately following will be a demonstration of the four steps involved in making wine from an ingredient package manufactured by the industry leader, Wine Expert. We will also put an emphasis on the equipment necessary for winemaking and how to use it. Those who attend will leave this class with the knowledge of how to make a delicious wine in the comfort of their own home all year round.

*Wine tasting and food to be provided!*
