President's Remarks:

Dear Members:

I am sorry that I was unable to attend last month's meeting and hear the presentation by Major Decker Hains. I heard that attendance was strong and that Major Hains was very informative. I want to thank the Major for all of his efforts.

As most of you probably already know, our nomination, Mr. Ben Volk was awarded Engineer of the Year Award at the Tri-Cities Engineers Week Banquet on March 19th. We are very excited to have someone from the Civil Engineering discipline win this award. While going through his information to complete the nomination it was clear to me that this honor is well deserved. Thank you to everyone who attended the banquet and supported Ben and the local engineering community.

I hope to see everyone at our meeting on the 17th.

Sincerely,

Jay Marlow, P.E.
Columbia Section, President
