Deep River, CT 06417

A Message from your 2017–2018 CSCE President

Dear CSCE Members,

We are about to kick off the fall season and our yearly schedule of events. This year, in addition to our normal schedule of dinner speakers, seminars, and younger members events, we are also going to be doing 3 new initiatives that I'd like to share with you.

Firstly, is the launch of our brand new CSCE website: <http://sections.asce.org/connecticut/>. I invite you to stop by and see it. We have updated and modernized the look and layout of our section's website. Let us know how you like it.

Secondly, we are planning a screening of ASCE's Dream Big Movie: <http://www.dreambigfilm.com/>. During the month of October, CSCE will be hosting a showing of ASCE's brand new movie about engineering at the Connecticut Science Center. This will be a full IMAX experience and I'm looking forward to it.

Thirdly, we are working on the preparation of Connecticut's first Infrastructure Report Card. Several of the board members have been working closely with ASCE since last spring on this project and we expect to be able to unveil their hard work early in 2018.

I look forward to seeing you all at our first dinner event in September.

Sincerely,

Christopher Beaulieu

CSCE President

GET INVOLVED IN CSCE!!

Do you want to be more involved in CSCE?

Are you interested in being a committee member or serving on the CSCE Executive Board?

We are looking for people like you!

Contact our 2017-2018 President Chris Beaulieu at

President-2017@csce.org to find out how you can get more involved.

Together we can make

“A Better World by Design”!!

Any and all involvement is WELCOME!!

UPCOMING CSCE EVENTS -

September 13 – Monthly Dinner Meeting, Construction and Lessons Learned: Maintenance of Way Facility at the New Haven Rail yard, UConn, Storrs, CT

October 6 – 20th Annual CSCE Geotechnical Seminar* - Four Points Sheraton, Meriden, CT – Topic: Geotechnical Aspects of Infrastructure

October 17 – Monthly Dinner Meeting & A Movie, (Dream Big) – CT Science Center, Hartford, CT

November 7 – Monthly Dinner Meeting, Geotechnical Topic, Quinnipiac University

January 31 – Monthly Dinner Meeting, Government Engineers Topic, CCSU

February TBD – Joint Engineering Societies Dinner Meeting during Engineers Week (February 18-24), Date & Location: TBD

March TBD – Fairfield County Branch Dinner Meeting, Location: TBD

April 6 – CSCE Geotechnical Workshop* - University of New Haven, West Haven, CT Topic: TBD

April 10 – Monthly Dinner Meeting, Water Resources Topic, U.S. Coast Guard Academy, New London, CT

May 22 – 11th Annual Achievement in Civil Engineering (ACE) Awards, The Aqua Turf Club, Plantsville, CT

Please join us in congratulating the 2017-2018 officers

Younger Member Dunkin Donuts Stadium Tour and Yard Goats Social –
The Younger Members group took a tour of the newly completed Dunkin Donuts Stadium and attended a Yard Goats baseball game in Hartford.
The event was attended by Younger Members, family members and Students.

CSCE is soliciting pictures and projects of your favorite Civil Engineering landmarks in CT. The goal is to broadcast the civil engineering projects in Connecticut to our readers. If you have pictures of bridges, buildings, deep cuts, high embankments, monstrous retaining walls, even miniature construction sites, etc. (be creative!) send us a brief description and photograph and we will include it in the next CSCE newsletter. Please send all the information to

nl-editor-2017@csce.org

[2017 ACE Awards ~ May 10, 2017](#)

The Connecticut Society of Civil Engineers Section [CSCE] held their 10th Annual Achievement in Civil Engineering [ACE] Awards Ceremony on May 10, 2017. This event honors the planning, design, and construction achievements of Connecticut Civil Engineers. The awards commend projects on which significant engineering expertise or innovation was exhibited, thereby honoring the overall contributions of numerous engineers and other team members. Additionally, newly minted Life Members were recognized, new CSCE officers were sworn in and CSCE's most prestigious award, the Benjamin Wright Award, was presented. Finally, The Distinguished President's Award was presented to Connecticut Governor Dannel P. Malloy. ASCE President-Elect Kristina Swallow joined us for the festivities. Pictured: CSCE Past-President Hudson Jackson, Governor Malloy, and President-Elect Swallow.

Pictured: CSCE Past-President Hudson Jackson, Governor Malloy, and President-Elect Swallow.

Please see following page for list of award winners.

2017 ACE Award Winners

2017 Benjamin Wright Award Winner - Peter Heynen, P.E.

2017 Distinguished President's Award - Governor Dannel P. Malloy

2017 Civil Engineer of the Year - Gary Fuerstenberg, P.E. ENV SP

2017 Young Civil Engineer of the Year - Aaron Foster, P.E.

2017 Civil Engineering Educator of the Year - Gregory Broderick, Ph.D.

2017 Civil Engineering Employer of the Year - WSP (formerly WSP | Parsons Brinckerhoff)

2017 Construction ACE Award - Route 8 Design Build Project

Applicant: WSP, Manafort Brothers, Inc., and the Connecticut Department of Transportation

2017 Environmental ACE Award - Revitalizing Danbury's Downtown with 1 Kennedy Flats Luxury - Apartments

Applicants: Nobis Engineering, Greystar, CCA and Earthmovers

2017 Geotechnical ACE Award - Haddam Substation Global Slope Stability

Applicants: Haley & Aldrich, Eversource Energy, and Burns & McDonnell

2017 Geotechnical ACE Award of Merit - Replacement of MNRR Bridge Over Atlantic Street - Phase I

Applicants: Siefert Associates, LLC, Yonkers Contracting Company, Inc., the Connecticut Department of Transportation, and AECOM

2017 Planning ACE Award - Connecticut Safe Routes to School

Applicants: VN Engineers, Inc., Connecticut Department of Transportation, and AECOM

2017 Planning ACE Award of Merit - I-95 / I-91 / Route 34 Interchange

Applicants: H.W. Lochner, Inc., the Connecticut Department of Transportation, and Garg Consulting Services, Inc.

2017 Structural ACE Award - Route 8 Design Build Project

Applicants: WSP (formerly WSP | Parsons Brinckerhoff), Manafort Brothers, Inc., and the Connecticut Department of Transportation

2017 Structural ACE Award - of Merit Holdredge Garage Adaptive Reuse

Applicants: GNCB Consulting Engineers, P.C., NewPort Architecture, LLC, Pariseault Builders

2017 Sustainability ACE Award - The Meriden Green

Applicants: Milone & MacBroom, the City of Meriden, AECOM and CES, Inc.

2017 Sustainability ACE Award of Merit Holdredge Garage Adaptive Reuse

Applicants: GNCB Consulting Engineers, P.C., NewPort Architecture, LLC, and Pariseault Builders

2017 Transportation ACE Award - I-95 / I-91 / Route 34 Interchange

Applicants: H.W. Lochner, Inc., the Connecticut Department of Transportation, and Garg Consulting Services, Inc.

Are you a recent college graduate. Or about to be? Do you know someone who is? Stay with ASCE!!

Did you know that ASCE offers pro-rated discounted membership dues for recent college graduates? For more information visit <http://www.asce.org/membership>

Are you a “Younger Member”?

A Younger Member is considered to be 35 years of age or younger. The Younger Member Committee Fosters the professional growth, ethical awareness, and technical competence of the Section’s younger members. The Committee meets once a month, and organizes several activities throughout the year, including those for fun and community service. Check future issues of this newsletter for upcoming events. If you are interested in joining the committee or want more information, contact youngermembers-2017@csce.org.

HONORS AND AWARDS

ASCE’s Honors and Awards program recognizes the remarkable accomplishments of the civil engineering profession. With more than 80 awards, the program distinguishes the unique contributions engineers make to both the industry and society.

ASCE has many honors and awards to recognize deserving members. For a complete listing of all ASCE awards, please visit www.asce.org/awards.

**ASCE | GOVERNMENT
RELATIONS**

Connecticut's 2016-2017 Legislative Session ended with the Governor signing a resolution to amend the State Constitution to Adopt a "Lock-Box" on monies in the state's Special Transportation Fund. The proposed "Lock-Box" will ensure that existing and future monies held in this fund are dedicated solely for transportation projects. It will also prohibit transportation dollars in this fund from being diverted or transferred to non-transportation purposes. This measure will now be sent to Connecticut voters for a referendum at the general election in November 2018. If approved by voters, the Connecticut Constitution will be amended to protect transportation dollars.

CSCE's Legislative Affairs Committee has been very active over the past few years in support of the "Lock-Box" initiative, testifying on various bills on the subject, and being an advocate for protecting the state's transportation monies by publishing an op-ed piece in the Hartford Courant, contacting state representatives, and issuing Legislative Alerts to CSCE members.

The Legislative Affairs Committee will begin planning for the 2017-2018 Legislative Session over the coming months this fall - with the expectation that transportation funding (including tolling) will continue to be a "hot topic" with the General Assembly. The Committee will also be considering efforts to strengthen the State's licensing laws for Professional Engineers to mitigate infringement by non-engineers on planning and design efforts that typically are under the purview of licensed engineers.

The CSCE Legislative Affairs Committee is looking for CSCE members with an interest in the legislative process and a passion to advocate for the betterment of the civil engineering profession. Anyone interested in getting involved and willing to volunteer to serve on the Committee should contact Roy Merritt, Jr., P.E. at (203) 887-6306 or rmerritt@hwlochner.com.

For questions, please contact ASCE Government Relations at govwash@asce.gov.

The Connecticut Society of Civil Engineers was formed in 1884. Separately, the Connecticut Section of the American Society of Civil Engineers (ASCE) was founded in 1919. The two organizations merged in 1981. We represent about 1,600 civil engineers statewide.

Town of Wilton - Public Works Director/Town Engineer - Job Posted: August 27 2017

HUMAN RESOURCES, LABOR
RELATIONS, AND ADMINISTRATIVE
SERVICES DEPARTMENT
Telephone (203) 563-0118
Fax (203) 563-0299

TOWN HALL
238 Danbury Road
Wilton, Connecticut 06897

E-mail: sarah.taffel@wiltonct.org

PUBLIC WORKS DIRECTOR/TOWN ENGINEER

The Town of Wilton seeks a Public Works Director/Town Engineer to lead the Town's third largest department serving a population in excess of 18,000 under the general direction of the First Selectman. The Director is responsible for ensuring that the Town's infrastructure supports the safety and well-being of its residents, business people, and visitors. Functions include: managing and supervising the major activities in the Highway Division, covering snow removal, sanding, road patching, brush and tree removal, correction of drainage problems, and maintenance of vehicles and equipment for the Public Works and various other Town departments; overseeing the Road Improvement Program; serving as the Town Engineer; monitoring construction of new subdivision roads; providing advisory engineering review for sewer, stormwater, and water system construction; assisting in the planning and engineering of new Town roads, Town facility construction, and water, stormwater, and sewerage systems; overseeing solid waste handling; and responding to emergency situations involving Town personnel, equipment, buildings, roads, and the general welfare of the public.

Requirements Include:

- Bachelors degree in Civil Engineering. Advanced degree desirable. Professional Engineer's license in State of Connecticut, or ability to obtain same within six (6) months from time of hire;
- Minimum ten (10) years of experience in public works or construction field with five (5) involving supervisory experience in the management of clerical, laborer, and professional personnel, or an equivalent combination of education and experience;
- Considerable knowledge of and ability to use engineering, financial, management, and database computer systems and software;
- Superior leadership qualities, including ability to supervise and manage subordinate staff and maintain cooperative working relationships with same and to work collaboratively with other Town departments, public agencies, and private entities; and
- Ability to effectively communicate through written and oral expression, including giving public presentations concerning Public Works issues and the departmental budget requests.

Competitive Salary and Excellent Benefits Package. Town job application and position description are available at www.wiltonct.org or upon request from Director, Human Resources, Labor Relations, and Administrative Services, 203/563-0118. EOE. ***Position will remain open until filled.***
