

CT's Civil Engineering Newsletter

September 2019

September 9, 2019

Connecticut Society of Civil Engineers
PO Box 1101
Deep River, CT 06417

A Message from your 2019–2020 CSCE President

Dear CSCE Members,

CSCE hopes you enjoyed a fruitful, fun, and safe summer! We look forward to seeing you at a dinner meeting or workshop seminar in the near future. September is already filled with great CSCE events - on September 10 at CCSU with a great presentation on the new Goethals Bridge. On September 19, the Younger Members Committee will hold a social event at Alvarium Beer Company in New Britain, and the Geo-Institute is hosting the Fall Geotechnical Seminar on September 20.

This year, CSCE is actively cross-promoting activities with several area organizations. Please save the date for the November 22 Bridge to Cure Holiday Party to benefit the Epilepsy Foundation at Printers Alley in NYC. CSCE is also a collaborating sponsor of the SMPS-CT "Win More Work Summit" on October 2 in Hartford. Please see the CSCE email flyers and our website for more information on these great events!

While we have a full-slate of speakers for the Fall of 2019, we are actively recruiting speakers for the January 2020 meeting (construction topic at Yale Graduate Club), February 2020 meeting (Legislative Affairs topic at Quinnipiac), and the March 2020 meeting (Fairfield County Branch in Norwalk). If you would like to speak, or have any suggestions, please feel free to reach out to me directly at bcote@geopier.com.

I am excited to be your President for the 2019-2020 session of CSCE and again I look forward to seeing you at an event this year!

Sincerely,

Benjamin Cote, P.E., M. ASCE

CSCE President

A 501(c)(3) organization founded by Vincent Siefert, President of Siefert Associates, LLC

2nd Annual

Bridge To Cure Pre-Holiday Party

To Benefit the Epilepsy Foundation

Friday, November 22, 2019

Printers Alley - 215 W. 40th Street, New York, NY

6:00 p.m. – 10:00 p.m.

Food, Beverages, Entertainment and Cigars provided

All proceeds will support the Epilepsy Foundation, which leads the fight to stop seizures, find a cure and overcome the challenges created by epilepsy. Help us reach our goal of \$50,000!

Epilepsy is the most common neurological disorder in the U.S. after Alzheimer's disease and stroke. It is equal in prevalence to cerebral palsy, multiple sclerosis and Parkinson's Disease combined. Yet, of major chronic conditions, it is among the least understood and funded.

Sponsorship Opportunities

Platinum Sponsor - \$10,000

Admission for 50 guests and signage at the event

Gold Sponsor - \$5,000

Admission for 25 guests and signage at the event

Silver Sponsor - \$3,000

Admission for 15 guests, acknowledgement in Event Program

Bronze Sponsor - \$1,000

Admission for 5 guests, acknowledgement in Event Program

Individual Tickets - \$225 per person/\$100 Young Professional/\$25 Student (suggested donation)

For more information, please contact Vincent Siefert at 203.509.1397 or bridgetocure@gmail.com

Please make sponsorship checks out to Bridge To Cure Inc. and mail to Siefert Associates, 180 Church St, Naugatuck, CT 06770

Check out Printers Alley at www.printersallemnyc.com

Bridge To Cure is entirely managed by volunteers. 100% of all profits are donated.

GET INVOLVED IN CSCE!!

Do you want to be more involved in CSCE?

Are you interested in participating in CSCE as a member of a Committee, Group, or Institute?

We are looking for people like you!

Contact our 2019-2020 President Ben Cote at

BCote@geopier.com to find out how you can get more involved.

Together we can make

“A Better World by Design”!!

Any and all involvement is WELCOME!!

LEGAL NOTICE -

The City of Stamford is seeking to engage the services of a Consulting Engineering firm to provide construction inspection services. [Click Here for more information.](#)

UPCOMING CSCE EVENTS -

September 10 (Tuesday) - Monthly Dinner Meeting at CCSU (Structural) - Seth Condell, PE, LEED AP / ENVISION SP, DBIA will present an overview of the design advancements related to the New Goethals Bridge which will replace the c. 1928 steel truss bridge linking Elizabeth, NJ with Staten Island, NY. Younger Members Committee Events

The CT Younger Member Summer Brewery Social is coming up! Thanks again to [Alvarium Beer Company](#) and our sponsors for helping us with the event!

If you have any ideas or would like to request an event at your College/University, please contact the Younger Members Committee President, Jodi Greene.

Check out the Younger Members Committee Facebook page at <https://www.facebook.com/CSCEYM> for other upcoming events.

CSCE is soliciting pictures and projects of your favorite Civil Engineering landmarks in CT. The goal is to broadcast the civil engineering projects in Connecticut to our readers. If you have pictures of bridges, buildings, deep cuts, high embankments, monstrous retaining walls, even miniature construction sites, etc. (be creative!) send us a brief description and photograph and we will include it in the next CSCE newsletter. Please send all the information to:

Jagaczewski@gncbengineers.com

Are you a recent college graduate. Or about to be? Do you know someone who is? Stay with ASCE!!

Did you know that ASCE offers pro-rated discounted membership dues for recent college graduates? For more information visit <http://www.asce.org/membership>

Are you a “Younger Member”?

A Younger Member is considered to be 35 years of age or younger. The Younger Member Committee fosters the professional growth, ethical awareness, and technical competence of the Section’s younger members. The Committee meets once a month, and organizes several activities throughout the year, including those for fun and community service. Check future issues of this newsletter for upcoming events. If you are interested in joining the committee or want more information, contact Jodi.Greene@wsp.com.

HONORS AND AWARDS

ASCE’s Honors and Awards program recognizes the remarkable accomplishments of the civil engineering profession. With more than 80 awards, the program distinguishes the unique contributions engineers make to both the industry and society.

ASCE has many honors and awards to recognize deserving members. For a complete listing of all ASCE awards, please visit www.asce.org/awards.

YOUR AD CAN GO HERE!

**Get your job posting, message, or advertisement included
within one or multiple CSCE Newsletters.**

For rates and availability: <http://sections.asce.org/connecticut/resources>

The Connecticut Society of Civil Engineers was formed in 1884. Separately, the Connecticut Section of the American Society of Civil Engineers (ASCE) was founded in 1919. The two organizations merged in 1981. We represent about 1,600 civil engineers statewide.

EMPLOYMENT CLASSIFIEDS

BVH Integrated Services
Senior Civil/Site Utility Engineer
Job Posted: September 4, 2019

BVH Integrated Services (www.bvhis.com), a leading multidiscipline engineering firm, is seeking a Senior Civil/Site Utility Engineer for our Bloomfield, CT office. Our civil and site infrastructure group is actively developing projects involving both classic civil engineering (storm water, domestic water, fire protection and sanitary distribution systems) and site utility infrastructure engineering (buried thermal distribution piping, utility tunnels, site lighting, medium voltage primary electric and telecommunications distribution). The ideal candidate will have experience in both these engineering fields.

- BSCE and PE license required
- Excellent oral and written communication skills
- Proficiency with email, MS Word, Excel and AutoCAD Civil 3D is a must.
- A valid driver's license and a reliable car for travel in the Northeast is required.
- Ability to mentor junior staff engineers
- Ability to interact with clients

With offices in CT and MA, BVH offers a great working environment, a competitive salary and benefits package, and the potential for career advancement. EOE/Courant Top Workplace. Email resume and cover letter to careers@bvhis.com.

BVH Integrated Services
Senior Structural Engineer
Job Posted: September 4, 2019

BVH Integrated Services (www.bvhis.com), a leading professional engineering design firm serving the construction industry, is seeking a Senior Structural Engineer for our Bloomfield, CT office. Bachelor of Science in Civil Engineering is required. The ideal candidate shall also possess the following skills:

- 8 to 12 years of experience related to the design of structural and foundation systems for architectural/building projects.
- CT PE license or ability to obtain license is required.
- Master of Science in Civil Engineering is preferred.
- Ability to manage multiple projects from concept stage through construction in a fast-paced environment with challenging deadlines.
- Excellent verbal and written communication skills.
- Knowledge of building codes.

EMPLOYMENT CLASSIFIEDS (continued)

- Revit or other BIM project experience preferred.

With offices in CT and MA, BVH offers a great working environment, a competitive salary and benefits package, and the potential for career advancement. EOE/Courant Top Workplace. Email resume and cover letter to careers@bvhis.com.

Town of Simsbury

Engineer

Job Posted: August 27, 2019

The Town of Simsbury is looking to fill an opening in its Engineering Department. The position prepares or supervises the preparation of plans, specifications, quantity take-offs and cost estimates for public works projects; including streets, drainage, sewers, water mains, sidewalks, bridges, recreational facilities and other related work. The position may perform or supervise survey for location, design, project layout and as-builts. A candidate should have in-depth knowledge of AutoCAD, Microsoft Office products, and some experience with manual and electronic surveying instruments. A bachelor's degree in Civil Engineering is needed. The standard work week is 35 hours a week, with a salary range of \$70,240 - \$83,942 annually.

City of Stamford, CT

Coordinator of Inspections and Plan Review - Engineering

Job Posted: August 27, 2019

Salary Range: \$97,131 - \$124,584

POSITION: Under the general direction of the City Engineer or designee, performs supervisory and administrative work in inspection and permit issuance as well as performs plan reviews ensuring the compliance of local and state codes, regulations and practice concerning site engineering and site construction development and inspection in connection with the construction of capital, departmental, residential and/or commercial development projects requested of the department; does related work as required.

QUALIFICATIONS: Graduation from an accredited college or university with a Bachelor's Degree in Civil Engineering or a closely related field and seven (7) years of progressively responsible engineering experience in the field of site engineering, construction, and inspection.

SPECIAL REQUIREMENTS: At time of application, possession of a valid motor vehicle operator's license and possession of a valid Connecticut Professional Engineer's license. Applicants must attach a copy of their license to the application

SCOPE OF EXAMINATION: Qualified applicants will be evaluated, scored and ranked on their level and quality of related experience, education and training documented on the application and application supplement. Incomplete applications will be rejected.

APPLICATION PROCESS: Interested candidates should submit a completed Employment Application and Application Supplement "19-40". Position is open until filled. Application and application supplement can be obtained at the City of Stamford, Human Resources Division, 9th Floor, and 888 Washington Boulevard, Stamford, Connecticut or at

EMPLOYMENT CLASSIFIEDS (continued)

www.stamfordct.gov. Please note: Only properly completed and submitted applications will be considered. Applications of candidates who do not meet the stated position requirements will not be considered.

City of Stamford, CT
Traffic Signal System Engineer
Job Posted: August 27, 2019

Annual Salary Range: \$97,131 - \$124,584

TRAFFIC SIGNAL POSITION: Under the general direction of the Bureau Chief of Transportation, Traffic and Parking or designee, performs all technical assignments, research, maintenance and daily operations of a computerized traffic control system; performs other traffic and transportation engineering and traffic signal related work as required.

ESSENTIAL SKILLS, KNOWLEDGE AND ABILITIES:

- In depth experience with traffic signal operation, design, and configuration.
- Good knowledge of GridSmart design and operation.
- Ability to engage with the public and the ability to communicate and influence effectively.
- Thorough knowledge of a wide range of ITS technologies, including GridSmart, Fiber optic communication, VMS, and CCTV.
- Ability to apply management techniques and prioritize responsibilities to ensure work is accomplished by project deadlines.
- Proven ability to learn new skills and understand complex technical projects rapidly.
- Excellent problem solving skills and the ability to develop new and innovative ideas.
- Ability to work as part of a team and to supervise, coach and mentor subordinates.
- Familiarity with State and Federal design processes with respect to signal design.

QUALIFICATION REQUIREMENTS: Bachelor's degree in Computer Science; Computer, Civil, Traffic or Transportation Engineering; or a closely related field and three (3) years of progressively responsible experience in the field of traffic engineering, one (1) year of which must have been in computerized traffic signal systems and control. NOTE: A Master's degree in one of the above noted fields may substitute for one (1) year of the general traffic engineering experience. Valid Driver's License.

Interested applicants are advised to submit a fully completed application form along with their resume, listing all related degrees, training and work experience. Incomplete applications or those submitted without a resume will be rejected. Applications of candidates who do not meet the stated position requirements will not be considered. Position is open until filled. Applications can be obtained at the City of Stamford, Human Resources Division, 9th Floor, and 888 Washington Boulevard, Stamford, Connecticut or at www.stamfordct.gov

EMPLOYMENT CLASSIFIEDS (continued)
