A Message from your 2019–2020 CSCE President

INSIDE THIS ISSUE:

Upcoming CSCE Events	2
Geotech Workshop Program	3
Younger Members Event	4
Employment Opportunities	9

Dear CSCE Members,

I hope this newsletter finds you safe, healthy, and at home! I have worked in a home office for the past 4 years, although not in such chaotic times as these with my wife and three kids also home. As many challenges as it presents, I am grateful for our health, jobs, electricity, internet service, food and whatever limited supply of toilet paper we have left!

To say the least, these are unprecedented times. Unfortunately, CSCE had to make the difficult decision to cancel our remaining spring dinner meetings, the April Geotechnical Workshop, and the ACE Awards.

Fortunately, you can still connect with CSCE through this newsletter, as well as our emails and webpage for updates. In addition, our Executive Board has been actively meeting on Zoom to work on items such as providing New York State PDH credits for all dinner meetings, establishing a new Transportation & Development Institute (T&DI) chapter in Connecticut, and of course rescheduling the ACE Awards for fall 2020. And for now, our summer and fall events (the Golf Outing in July and the Geotechnical Seminar in September) are still currently on as scheduled.

Thinking ahead, CSCE is actively looking for volunteers for the executive board – the secretary and newsletter editor positions are currently open for the 2020-2021 season! These seats lead to the eventual promotion through the executive board positions to CSCE President starting in 2025. You would get the opportunity to work with an amazing team of George, Brianna, Scott and Aaron. And don't forget our real star, Amy Petrone!

If you or someone you know would be interested in one of these positions, or if you have any questions about the positions, please feel free to reach out to me via my email below.

To your health,

Benjamin Cote, P.E., M.ASCE

CSCE President

Younger Members Committee Events

The CT Younger Members Spring Brewery Social has been cancelled in response to the Coronavirus Disease (COVID19) Pandemic.

If you have any ideas or would like to request an event at your College/University, please contact the Younger Members Committee President, Jodi Greene, P.E. at Jodi.Greene@wsp.com.

Check out the Younger Members Committee Facebook page at <https://www.facebook.com/CSCEYM> for other upcoming events.

CSCE is soliciting pictures and projects of your favorite Civil Engineering landmarks in CT. The goal is to broadcast the civil engineering projects in Connecticut to our readers. If you have pictures of bridges, buildings, deep cuts, high embankments, monstrous retaining walls, even miniature construction sites, etc. (be creative!) send us a brief description and photograph and we will include it in the next CSCE newsletter. Please send all the information to:

Jagaczewski@gncbengineers.com
