A Better World By Design

Dear CSCE Members,

“Change is constant,” read my eighth grade yearbook quote. Wow! Heavy stuff! If I could go back to my younger self, I would first say, “you are absolutely right,” before saying, “relax kid, you’re only 13”. But then I think he was laughing back at me late last month as I transitioned to a new employer! Maybe we could learn from each other!

And CSCE is definitely a place of change lately, as well. Every May, there is the usual transition of the executive board. I am extremely excited for what Aaron, Scott, Brianna, and George will do during their stints on the board. We are continually improving the Society by having bi-weekly conference calls, pursuing New York State PDH credits for all dinner meetings, improving meeting venues, and the like.

A big change came in the form of a unique dinner meeting February 11th at Quinnipiac University. Ellen Ornato and Jenny Drescher from The Bolder Company spoke on “Raising Your Emotional Intelligence, Lower Your Stress”. We saw participants clapping, stomping, and walking around naming inanimate objects (and no, this was not a side effect of the open bar). It was an amazing interactive experience where we all learned more about our own emotional responses to work situations and people.

Other changes include our Younger Members Committee (YMC), led by Jodi Greene, being awarded the 2022 Eastern Region Younger Members Conference (ERYMC)! They won a bid vote of 22-17 against Miami. The event will host ASCE Regions 1, 2, 4 and 5 in Connecticut in January 2022. Thanks to Jodi Greene, Katie Klose and the entire YMC for their win!

On April 21, we will hear from Connecticut Department of Transportation Commissioner Joseph Giulietti, who will no doubt speak of the numerous proposed and ongoing changes to our state transportation system. Please join us for this event at the U.S. Coast Guard Academy in New London!

Regardless of the changes we each face, I believe they are all undoubtedly for our good. And hey, at least the weather is now (mostly) changing for the warmer!

Sincerely, Benjamin Cote, P.E., M.ASCE, CSCE President

CSCE Award Applications are now Available! [Click here](#) to find information regarding the Achievement in Civil Engineering (ACE) Project Awards, and Individual Awards, and Sponsorship Opportunities.

Award Applications are due March 31, 2020.

GET INVOLVED IN CSCE!!

Do you want to be more involved in CSCE?

Are you interested in participating in CSCE as a member of a Committee, Group, or Institute?

We are looking for people like you!

Contact our 2019-2020 President Ben Cote at

BCote@aeroaggregates.com to find out how you can get more involved.

Together we can make

“A Better World by Design”!!

Any and all involvement is WELCOME!!

UPCOMING CSCE EVENTS -

March 18, 2020 (Tuesday) - Monthly Dinner Meeting at the Norwalk Inn. The CSCE Fairfield Country Branch will be hosting this month's meeting. At this meeting, Christopher Hylas, P.E. from H.W. Lochner, Inc. will give a presentation about the I-84 Reconstruction Project in Waterbury. [Click here to Register.](#)

April 17 (Friday) - 10th Annual Spring CSCE Geotechnical Workshop at the University of New Haven. This year's topic is Geo-Medley: Lightweight Fill, Big Data, and Everything in Between. [Click here to Register.](#)

April 21, 2020 (Tuesday) - Monthly Dinner Meeting at the United States Coast Guard Academy. At this meeting, Joseph Giulietti of the CT Department of Transportation will be giving the State of the DOT address. 2020 CSCE Student Awards will also be distributed at this meeting. [Click here to Register.](#)

April 30, 2020 (Thursday) - The CSCE Younger Member Committee invites you to their Spring Brewery Event at the Alvarium Brewery in New Britain, CT. Email sjhopkins1581@gmail.com to RSVP.

**10th Annual CSCE Spring Geotechnical Workshop
 Geo-Medley: Lightweight Fill, Geotechnical Data, and
 Everything in Between**
 University of New Haven - Bartels Alumni Lounge
 April 17, 2020 - West Haven, CT

**GEO-
 INSTITUTE**
 Connecticut Valley
 Chapter

Questions and discussion will be encouraged throughout the day.

NOTE – CSCE is applying to PIE for 7 New York State PDHs for this Workshop

Program

7:00 AM-8:00 AM	Breakfast and Registration
8:00 AM-9:00 AM	Where are the Giants? An Inspiration from George Sowers Bob Bachus, Ph.D., P.E., D.GE, Geosyntec Consultants
9:00 AM-10:00 AM	Lightweight Fill: Introduction, Historical Perspective, Terminology, and Available Resources Vern Schaefer, Ph.D., P.E., Iowa State University
10:00 AM-10:15 AM	Break
10:15 AM-11:15 AM	A Perspective on Mechanically Stabilized Earth Walls: Pushing the Limits or Pulling Us Down Bob Bachus, Ph.D., P.E., D.GE, Geosyntec Consultants
11:15 AM-12:15 PM	Lightweight Fill Materials and Construction Vern Schaefer, Ph.D., P.E., Iowa State University
12:15 PM-1:00 PM	Lunch
1:00 PM-2:00 PM	Geotechnical Data is now Big Data and We Cannot Handle It Bob Bachus, Ph.D., P.E., D.GE, Geosyntec Consultants
2:00 PM-3:00 PM	Lightweight Fill Design, Quality Assurance, and Construction Specifications Vern Schaefer, Ph.D., P.E., Iowa State University
3:00 PM-4:00 PM	Lightweight Fill Cost Data and Available Information on GeoTechTools Vern Schaefer, Ph.D., P.E., Iowa State University
4:00 PM-4:15 PM	Closing Remarks

The Connecticut Society of Civil Engineers
presents the
13th Annual
ACHIEVEMENT IN CIVIL ENGINEERING
ACE AWARDS PROGRAM

The Connecticut Society of Civil Engineers (CSCE) Section of the American Society of Civil Engineers aims to enhance the professional growth of its individual members, the advancement of engineering knowledge, the maintenance of high professional standards, to promote Civil Engineering education, to foster student membership and participation and cooperation with other engineering societies, in a manner consistent with the objectives of ASCE.

CSCE is honoring the design and construction achievements of Connecticut Civil Engineers. These Achievement in Civil Engineering Awards or "ACE" Awards will commend projects on which significant engineering expertise or innovation was exhibited by Connecticut Engineers and especially CSCE members. The ACE Awards will distinguish the projects, and thereby honor the overall contributions of numerous engineers and other team members.

To be eligible, a project must have been **planned, designed, or constructed** substantially between January 1, 2019, and December 31, 2019, in Connecticut. Preference will be given to projects physically located in Connecticut. Completed ACE Awards Applications should include a Cover Sheet and related attachments (see other side of sheet). CSCE encourages firms that functioned as sub-consultants to submit individually or partner with the prime engineering firms to submit an application.

There is no application fee for ASCE/CSCE members, but a required fee of \$300 for non-ASCE/CSCE members. All applications must be received by CSCE no later than March 31st. Prior to submitting an application, please ensure that all necessary permissions have been obtained from the owner (and other project team members) to allow for the disclosure of information about the project and team members, and photographs of the project.

Each application will be evaluated by a jury established by the CSCE Executive Board, based upon the following criteria:

- Advancement and innovation in the field of civil engineering
- Contribution to the well-being of people and communities
- Ingenuity in construction techniques, materials
- Accomplishment of project objectives in the face of significant challenges
- Excellence in the management of the design and/or construction process or design
- Client satisfaction

After the presentation of the awards, CSCE will send out a press release recognizing all projects and team members receiving ACE Awards. Additionally, this year's ACE Award recipients will be noted in the program for next year's ACE Awards dinner and in this year's Annual Report. For more information, please contact CSCE at admin@csce.org.

Please note that awards will not be specific to a particular category. Based on applications received, CSCE will divide projects into large or small projects and award a first place and second place in each category.

Thank you for your participation!

ASCE Connecticut Section Civil Engineering Individual & Employer Awards

Individual Engineer Awards

The CSCE Board is now accepting nominations for the following individual awards that will be presented at the Annual ACE Awards Dinner in May. These awards will recognize ASCE/CSCE members for their outstanding contributions to the Civil Engineering profession. Anyone can nominate a CSCE member who best exemplifies the Civil Engineering profession. The nominees must work and/or reside within the State of Connecticut.

Selection: Selection shall be based on the following criteria:

- Education and Professional qualifications;
- Projects completed;
- Patents; Publications; Presentations; Teaching
- Professional involvement including society affiliations and leadership roles;
- Professional reputation; and
- Outstanding contributions to the profession.

Categories:

1. **Civil Engineer of the Year** (Private and/or Public). Nominees must be an ASCE member, a Professional Engineer practicing for at least ten (10) years in Connecticut and have demonstrated innovation and significant contributions in advancing the Civil Engineering profession.
2. **Young Civil Engineer of the Year** (Private and/or Public). Nominees must be an ASCE member, a Professional Engineer, and 35 years of age or younger by **February 1, 2020**.
3. **Civil Engineering Educator of the Year**. This award is presented to an outstanding educator who has demonstrated excellence and innovation in effective teaching and learning; contributed substantially in educating future engineers; and/or has advanced research topics in the field of Civil Engineering. The educator must be a faculty member at an educational institution in Connecticut.
4. **Benjamin Wright Award** – Nominee must be a civil engineer in Connecticut who has demonstrated outstanding practice through his or her career, and made significant contributions to Civil Engineering.

Nomination:

Nomination packages should not exceed five pages and shall include the following: Cover Letter with suggested Award Citation and Description of how the individual meets the above criteria. In addition, you may attach a resume and any other supporting information, if applicable (no more than 10 extra pages). The CSCE Selection Committee will provide feedback on the nominations and the CSCE Board will approve the final Award recipients. Recipients must agree to accept the award in person at the Annual ACE Dinner that will be held at the Aqua Turf Club on **May 19, 2020**.

ASCE Connecticut Section Employer of the Year Award

This award will recognize a Connecticut-based Civil Engineering firm that has shown support for CSCE and encourages employee participation in CSCE events and initiatives. Employers should have demonstrated a commitment to regularly support CSCE activities through sponsorship, attendance and service during the calendar year. Nominations should include a narrative of the firm's support for CSCE including employees' participation on CSCE executive board and committees, as well as ASCE regional and national activities.

Submission

Please submit nomination packages to the CSCE via email at admin@csce.org or via USPS mail at CSCE, P.O. Box 1101, Deep River, CT 06417, by **Tuesday, March 31, 2020**.

2020 ACE Awards Dinner Event Pricing & Registration

Aqua Turf Club
556 Mulberry Street, Plantsville, CT

Tuesday, May 19, 2020

Important Times: 5:00 PM Reception, 6:00 PM Dinner & Program

Ticket Type	Price
Individual	\$80 per Person
Full Table (10 seats)	\$725 per Table

CORPORATE SPONSORSHIP LEVELS

Platinum Sponsorship (\$2,500) includes Full Page advertisement in Dinner Pamphlet, Advertisement on Event Sponsorship Board, and Two Dinner Tables.

Gold Sponsorship (\$1,500) includes Half Page Advertisement in Dinner Pamphlet, Advertisement on Event Sponsorship Board, and One Dinner Table.

Silver Sponsorship (\$1,000) includes Quarter Page advertisement in Dinner Pamphlet, Advertisement on Event Sponsorship Board, and Four seats at the Dinner.

Bronze Sponsorship (\$500) includes Business card size advertisement in Dinner Pamphlet, Listing of company name on Event Sponsorship Board, and Two seats at the Dinner.

To register for or sponsor the 2020 ACE Awards, please go to the ACE Awards link on the CSCE website: www.csce.org

Please contact Amy Petrone at admin@csce.org or (860) 879-2723 if you have any questions about the 2020 ACE Awards.

A Note about Photographs

People participating in CSCE events may be photographed by a photographer hired by CSCE. These photographs may appear without compensation or notice in online, printed or electronic materials related to CSCE. People who do not want to be photographed should contact Amy Petrone, CSCE Administrative Assistant, at admin@csce.org or (860) 879-2723.

Younger Members Committee Events

The CT Younger Members Spring Brewery Social is coming up! Thanks again to Alvarium Beer Company and our sponsors for helping us with the event.

If you have any ideas or would like to request an event at your College/University, please contact the Younger Members Committee President, Jodi Greene, P.E..

Check out the Younger Members Committee Facebook page at <https://www.facebook.com/CSCEYM> for other upcoming events.

CSCE is soliciting pictures and projects of your favorite Civil Engineering landmarks in CT. The goal is to broadcast the civil engineering projects in Connecticut to our readers. If you have pictures of bridges, buildings, deep cuts, high embankments, monstrous retaining walls, even miniature construction sites, etc. (be creative!) send us a brief description and photograph and we will include it in the next CSCE newsletter. Please send all the information to:

Jagaczewski@gncbengineers.com

For Members 35 Years or Younger **CSCE Younger Members Committee**

The CSCE Younger Members Committee encourages the full professional development of engineers who are 35 years of age or younger and endeavors to increase their participation in CSCE and ASCE activities. Please contact Jodi Greene, P.E., Younger Members Committee President, at Jodi.Greene@wsp.com or the CSCE— Younger Members Facebook page for more information about the activities of this Committee.

Younger Members on Facebook visit our Facebook page to stay updated with past and upcoming Younger Member social and professional events. Search for CSCE Younger Members or follow the link <https://www.facebook.com/CSCEYM> and like the group.

HONORS AND AWARDS

ASCE's Honors and Awards program recognizes the remarkable accomplishments of the civil engineering profession. With more than 80 awards, the program distinguishes the unique contributions engineers make to both the industry and society.

ASCE has many honors and awards to recognize deserving members. For a complete listing of all ASCE awards, please visit www.asce.org/awards.

YOUR AD CAN GO HERE!

Get your job posting, message, or advertisement included within one or multiple CSCE Newsletters.

For rates and availability: <http://sections.asce.org/connecticut/resources>

The Connecticut Society of Civil Engineers was formed in 1884. Separately, the Connecticut Section of the American Society of Civil Engineers (ASCE) was founded in 1919. The two organizations merged in 1981. We represent about 1,600 civil engineers statewide.

Employment Opportunities

Pereira Engineering

Survey Technician

Civil • Environmental • Land Surveying

Job Posted: February 28, 2020

Pereira Engineering is an established Civil/Environmental/Land Surveying firm located in Shelton, CT. PE is seeking a Survey Technician with 5 to 10+ years' experience in all facets of land surveying from boundary surveying to construction layout. Duties include field surveying, downloading/uploading survey data, land record research, and AutoCAD drafting. PE offers a very competitive salary and benefits. Please email resume to: joe.pereira@pereiraeng.com.

Conlon Engineering, LLC

Conlon Engineering, LLC

Structural Engineer

Job Posted: December 31, 2019

Conlon Engineering, a growing structural design firm in Brookfield, CT is seeking a structural engineer with 0-3 years of experience doing design work and calculations. We are looking for a smart, hardworking engineer who wants to be part of a profitable firm that is set up for sustainable growth. Visit our website at conlonengineering.com and email resumes to office@conlonengineering.com

CME Associates

Senior Bridge Engineer

Job Posted: December 6, 2019

CME Associates, Inc. a multi-disciplinary engineering firm is seeking a full-time Senior Bridge Engineer to work in CT. The ideal candidate will have a B.S. in Civil Engineering with 10 yrs. experience in bridge engineering. In this position, you would serve in a lead role in the design, analysis & detailing of structural transportation projects, as well as mentor & provide technical direction for our technical staff. For more information please visit cmeengineering.com.

CME Associates
Project Engineer
Job Posted: September 23, 2019

CME Associates, Inc. is looking for a Project Engineer to assist in the oversight of State & municipal bridge & roadway projects, designed by third-party entities, as part in our CLE Dept in our East Hartford office. The ideal candidate for this mid-level position will have a B.S. in Civil Engineering & 8-10 yrs experience with CT bridge rehab/replacement projects using State funding. Please visit our website for complete details: www.cmeengineering.com. CME is an EOE/AA/VEV/Disabled Employer.

Siefert Associates, LLC
Assistant Engineer (EIT)
Job Posted: August 15, 2019

Siefert Associates, LLC is seeking an Assistant Engineer (EIT). Position participates in all phases of the design process, including assessing performance of engineering systems, and determining innovative solutions to challenging construction problems.

Project sites are in CT, NY & NJ. Self-motivated, proficiency in MathCAD/AutoCAD preferred; previous construction experience is helpful. B.S./B.E. in Civil Engineering. EIT certified or in pursuit. 0-2 yrs experience.

Siefert Associates, LLC
Assistant Geotechnical Engineer
Job Posted: August 15, 2019

Siefert Associates, LLC is seeking an Asst. Geotechnical Engineer. Prepare calcs, drawings, engineering reports, inspect as-built conditions, monitor subsurface exploration, soil testing. Projects include SOE for heavy construction, design & installation of waterfront structures, utility protection, foundations, analyses for slope stability & equipment surcharge, methods of soil improvement. EIT certified or in pursuit. 0-2 yrs experience. MS preferred.

Siefert Associates, LLC
Structural Project Engineer
Job Posted: August 15, 2019

Siefert Associates, LLC is seeking a Structural Project Engineer with 5-10 yrs experience in Construction Engineering. Will prepare calcs, design drawings, perform site visits, review lower level engineers' work, manage jobs, communicate with clients, attend client events. Project types include design of temporary support structures, construction loading on structures, engineered lift plans, demolition/erection plans, rigging design and crane layout plans.

Siefert Associates, LLC
 Senior Project Engineer
 Job Posted: August 15, 2019

Siefert Associates, LLC is seeking a Structural Engineer for a highly responsible Senior Project Engineer Position. Senior Project Engineer will serve in a lead technical role on bridge design projects & perform complex structural analysis & design for all structural aspects of highway & rail bridge projects. Responsible for the Project Management of large-scale multifaceted engineering projects, often on advanced deadlines, and will be responsible for the primary Supervision of mid-level engineers. Design Build Experience. 10+ year experiences, MS preferred.

RACE Coastal Engineering
 Engineer
 Job Posted: June 21, 2019

RACE Coastal Engineering seeks an engineer with expertise in structural, geotechnical or coastal engineering (3 - 5 years of experience preferred) combined with a comfort level of being around and on the water to support various waterfront projects, including analysis, design and preparation of plans and technical specifications for piers, wharves, mooring structures, bulkhead, seawalls, dredging and other projects. For more information, visit <https://www.racecoastal.com/engineer>

Nathan L. Jacobson & Associates
 Project Engineer
 Job Posted: May 22, 2019

Established Civil and Environmental Engineering firm seeking highly motivated technical personnel with excellent communication skills for a full-time Project Engineer position. Minimum BS degree in Civil Engineering and 3-5 years' experience in general municipal engineering and infrastructure improvement projects. EIT, and AutoCAD Civil 3D experience, required. An Equal Opportunity Employer. For more information and to apply, visit our website; www.nlja.com.

Down To Earth Consulting, LLC
 Staff Engineer/Geologist
 Job Posted: May 9, 2019

Down To Earth Consulting is seeking a Staff Engineer/Geologist to join our geotechnical engineering group in Naugatuck, Connecticut. The successful candidate should have a Bachelor of Science degree in geology or engineering; 0 to 5 years of experience; any work or schooling focused on geotechnical engineering is a plus. Down To Earth Consulting is an Affirmative Action/Equal Opportunity Employer. To learn more about this opportunity, please submit your resume to ray@downtoearthconsulting.com.
