

CSCE Civil Engineering/ Construction Scholarship Fund

Rules and Requirements

A. Eligibility

1. Applicants must be currently accepted in a college, university or technical school, in a civil engineering or construction related program and have a permanent residence in Connecticut. Preference shall be given to applicants who are members or student members of CSCE/ASCE or have parents or relatives who are members of CSCE/ASCE.

B. Requirements

1. The applicant is responsible for insuring that the CSCE Scholarship Committee prior to March 1st of each year receives all of the following items.
 - Completed application form.
 - Two reference letters.
 - Unofficial transcript of high school and/or college, university or technical school grades.
 - Essay from applicant entitled, "Why I Should Receive the CSCE Civil Engineering/Construction Scholarship."
2. Prior to final selection, the Committee will interview all applicants selected as finalists.

C. Awards

1. The Scholarship Committee will determine the number and dollar amount of awards. The minimum award will be \$500.
2. The CSCE Board and the Scholarship Committee will review all applications. The Committee will consider each applicant's interest in engineering or construction by reviewing the grades, extracurricular activities, employment experience and essay. The Committee may also choose to interview the applicants.
3. Scholarship funds will be distributed to the recipients as a one-time (lump sum) payment to be applied to expenses related to pursuing higher education.
4. All scholarship recipients will be announced on or near March 1st of each year.

D. Miscellaneous
