

ONLINE WEBINAR

Tuesday, August 4th, 12:00 PM – 12:45 PM

The UConn School of Engineering Professional Education program invites you to an exclusive webinar for CSCE members only.

The webinar is happening for members interested in enrolling in UConn's Master of Engineering, Certificate Programs or taking classes on a non-degree basis. Information about admissions, program curriculum and upcoming course offerings as well as the latest details about new concentrations will be covered.

A special focus will be on our new **Bridge Engineering** Advanced Engineering Certificate with a presentation on the course content from Bridge Engineering Certificate Program Director, Michael Culmo.
