Town of Wilton, CT – Public Works Director/Town Engineer - Job Posted: September 7, 2017

The Town of Wilton seeks a Public Works Director/Town Engineer to lead the Town's third largest department serving a population in excess of 18,000 under the general direction of the First Selectman. The Director is responsible for ensuring that the Town's infrastructure supports the safety and well-being of its residents, business people, and visitors. Functions include: managing and supervising the major activities in the Highway Division, covering snow removal, sanding, road patching, brush and tree removal, correction of drainage problems, and maintenance of vehicles and equipment for the Public Works and various other Town departments; overseeing the Road Improvement Program; serving as the Town Engineer; monitoring construction of new subdivision roads; providing advisory engineering review for sewer, stormwater, and water system construction; assisting in the planning and engineering of new Town roads, Town facility construction, and water, stormwater, and sewerage systems; overseeing solid waste handling; and responding to emergency situations involving Town personnel, equipment, buildings, roads, and the general welfare of the public.

Requirements Include:

- Bachelor's degree in Civil Engineering. Advanced degree desirable. Professional Engineer's license in State of Connecticut, or ability to obtain same within six (6) months from time of hire;
- Minimum ten (10) years of experience in public works or construction field with five (5) involving supervisory experience in the management of clerical, laborer, and professional personnel, or an equivalent combination of education and experience;
- Considerable knowledge of and ability to use engineering, financial, management, and database computer systems and software;
- Superior leadership qualities, including ability to supervise and manage subordinate staff and maintain cooperative working relationships with same and to work collaboratively with other Town departments, public agencies, and private entities; and
- Ability to effectively communicate through written and oral expression, including giving public presentations concerning Public Works issues and the departmental budget requests.

Competitive Salary and Excellent Benefits Package. Town job application and position description are available at www.wiltonct.org or upon request from Director, Human Resources, Labor Relations, and Administrative Services, 203/563-0118. EOE. **Position will remain open until filled.**
