

The American Society of Civil Engineers’ (ASCE) Connecticut Section Younger Member Group (YMG) is proud to announce that the 2022 ASCE Multi-Region Leadership Conference (MRLC) will be held in Hartford, Connecticut at the Hartford Marriott Downtown/Connecticut Convention Center on January 27-29, 2022 . We are excited to host MRLC in Connecticut for the first time in 2022. While the conference won’t take place for another year, we are already planning great things for Hartford! We’re looking for commitments from local firms and organizations to sponsor the conference. To show our appreciation, contributing organizations will be acknowledged as described for the associated levels listed below. Please note there is limited availability for the Platinum and Gold Level Sponsorships.

Each year the MRLC attracts over 500 engineering professionals, students, and educators from 24 eastern states, 5 eastern Canadian Provinces, and Puerto Rico. The focus of this conference is to mold engineers into leaders of their industry. This conference provides leadership training, professional development, and networking opportunities in addition to technical sessions. Speakers and panelists are typically society, community, industry, or local political leaders providing unique perspectives on leadership and the future of the civil engineering profession.

Please consider supporting this conference at one of these suggested sponsorship levels.
