Announcements

1. The annual ASCE Golf Outing is currently in the works and has a tentative date of June 27th. The proposed site will be Erskine Municipal Golf Course. This has traditionally been a great event with good fellowship and awesome door prizes. Final plans will be forthcoming.
2. As previously mentioned, elections are this month and we have a “shoe-in” from Abonmarche. Brad Mosness will be the unchallenged contender. We would like to thank Brad in advance for his commitment, and we look forward to working with you.
3. We recently received Life Member Awards from ASCE National and will be presenting them to the recipients at the upcoming meeting. We are asking for your help in contacting one of the recipients, Willard R. Swartzendruber, P.E. If you have any helpful information please contact Jared Huss.
4. As many of you know the IPLA will be requiring continuing education starting in 2009. Looking ahead, the Metro Branch has begun compiling lists of various universities throughout the state that will provide opportunities to satisfy these requirements. The

North Central Branch will be involved in developing this list. The final list will be published on the ASCE Section website for access throughout the entire state. The NCB is currently developing a one day event that will provide various webinars to obtain these Continuing Education Hours as well.
