

Civil Engineers Begin New Terms 4th November 2009

The Officers of the Indiana Section, American Society of Civil Engineers (ASCE) will be sworn into office on Thursday 5th November 2009 during the 24th Annual Civil Engineering Professional Development Seminar held at Purdue University in West Lafayette, Indiana.

The officers beginning their terms include President William D. Dubois, P.E., Vice President Imtiyaz I. Dalal, P.E., Treasurer Maryo Pasarel, P.E., and Secretary Larry Yeager, P.E.

William (Bill) Dubois is a professional engineer, a Life Member of ASCE with membership of over 40 years, a graduate of Tri-State University with a bachelor degree in civil engineering and a graduate of Michigan State University with a master degree in civil engineering. He is the President of Patriot Engineering and Environmental, Inc. in Indianapolis and is a resident of Indianapolis. He is a past president of the Metropolitan Indianapolis Branch of ASCE. Imtiyaz I. Dalal, is a professional engineer, a member of ASCE for over 20 years, and a graduate of South Gujarat University, India with a bachelor degree in civil engineering. He is the department manager of RQAW's Transportation Engineering Department at the RQAW office in Indianapolis and is a resident of Indianapolis. He also is a past president of the Metropolitan Indianapolis Branch of ASCE. Maryo Pasarel, is a professional engineer, a member of ASCE for 28 years, a graduate of Bosphorus University of Istanbul with a bachelor of science degree in Civil Engineering and a graduate of University of Surrey in Great Britain with a master of science in Structural Engineering. He is the Chief Structural Engineer for The Troyer Group in Mishawaka and is a resident of South Bend, Indiana. He is a past president of the North Central Branch of the Indiana Section, ASCE. Larry Yeager is a professional engineer and a member of ASCE for over 35 years. His current position is Consultant Services Manager for the Greenfield District of the Indiana Department of Transportation. He attended Purdue University and earned both Bachelor and Master of Science in Civil Engineering degrees. He resides in Marion, Indiana and is the current President of the Northeast Branch of the Indiana Section, ASCE.

Founded in 1852, the American Society of Civil Engineers represents more than 147,000 members of the civil engineering profession worldwide and is America's oldest national engineering society. ASCE's vision is to position engineers as global leaders building a better quality of life. For more information, visit www.asce.org. The Indiana Section, American Society of Civil Engineers represents approximately 1900 members. More information about the Indiana Section, ASCE can be found at <http://sections.asce.org/indiana/>
