

The ASCE Cecil T. Lobo Student Chapter at Rose-Hulman has been selected by ASCE as the recipient of the 2008 Robert Ridgway Award for the best student chapter in ASCE.

This is the fourth time the chapter has received the award, and the third time in the past four years. This success can be directly attributed not only to the great students, but also to the extraordinary effort of Dr. Lobo in his many years as advisor laying the ground work for the amazing chapter we have today. The support of the Metropolitan Indianapolis Branch members is also crucial to our success.

This is an invitation to you to join the ceremony and picnic on campus for presentation of the award by ASCE. The event will be on Wednesday, May 14, 2008 at Hatfield Hall. The celebration will begin with the award ceremony at 4:30 pm, followed by a picnic on the patio of Hatfield Hall at 5 pm.

The program will include recognition of past officers and chapter successes. If you can be there, it would be helpful if you could RSVP with Kathy Nicoson at Nicoson@rose-hulman.edu by May 9. If you decide to join us and have never visited our beautiful campus, we can arrange to have a student member give you a walking tour either before the ceremony or after the picnic. Just let us know when you RSVP so we can plan in advance.

You may also wish to attend the Order of the Engineer ceremony at Hatfield Hall, beginning at 7:30 pm. Although the Order of the Engineer is for all seniors who have taken the FE exam, the program is coordinated by Kathy Nicoson, Jim McKinney and myself and is always well attended by the CE seniors.

Thanks in advance and we look forward to seeing you.

Regards,

Kevin G. Sutterer, P.E.
