ASCE's Maryland Section is pleased to announce that we are planning a special event for this year's December Meeting! This event will provide a great opportunity to welcome in the holiday season, with live music, an extended open bar, and relaxed social atmosphere. Dinner will be served in a casual buffet style.

As part of the December Meeting, we also look forward to honoring Dave Mongan for his recent election to President of ASCE National. Dave has been involved in the local engineering community for over 35 years and is currently the president of Whitney, Bailey, Cox and Magnani, LLC.

This meeting will not include any technical sessions and will be an excellent opportunity to bring your spouse or significant other for a great time with fellow engineers in our community.

**Look for Special Invitations to come by mail!**
