2016-2017 MISSISSIPPI SECTION SCHOLARSHIPS

The Mississippi Section of the American Society of Civil Engineers (ASCE) is soliciting applications for **\$750 scholarships** that will be awarded October 19, 2016 for the 2016-2017 academic year. ASCE is an organization dedicated to the advancement of the profession of Civil Engineering. Additional information about ASCE may be found at the following web addresses: www.asce.org and <http://sections.asce.org/mississippi/awards-0>. Applications can be submitted to Will Pentecost via email at Will.Pentecost@waggonereng.com, no later than **October 7, 2016**. All inquiries should be directed to Mr. Pentecost at the e-mail address listed above.

ELIGIBILITY:

The successful applicant must be enrolled as a full-time Civil Engineering undergraduate student at a 4-year ABET accredited Mississippi university. The applicant must complete the attached application and submit a one-page essay entitled *“The Civil Engineer’s Role in America’s Aging Infrastructure; Design and Beyond”*. The essay should discuss a civil engineer’s various roles and responsibilities in society with respect to America’s Aging Infrastructure.

CRITERIA:

The following criteria will be used to award the scholarships to applicants: academic performance, awards and honors, extracurricular involvement, need, and the written essay. The Mississippi Section awards committee will select the successful applicants following receipt of all applications based on the above deadline.

2016-2017 ASCE Scholarship Application

Application Due: **October 7, 2015**

Last Name: _____ First: _____ MI: _____

Current Address: _____

City: _____ State: _____ Zip Code: _____

Phone: _____ E-mail address: _____
