c: Arnold Taranto, M.ASCE - NJ ASCE Scholarship Committee Chair

The New Jersey ASCE Section is pleased to announce the continuing offering of two scholarships of \$2,000 each. All students entering their final year of a BSCE program that either are members of an ASCE Student Chapter or Club located in the State of New Jersey or are members of an out-of-state ASCE Student Chapter or Club and have a legal home address in the State of New Jersey are eligible.

This year, the Central Jersey Branch is offering a one-time, additional \$2,000 scholarship for which all students applying to the Section Scholarships will be considered.

Enclosed please find one copy of this year's NJ Section scholarship application. Please copy the form and distribute as necessary. The application and instructions are also being posted on the NJ ASCE Website accessible at <http://sections.asce.org/newjersey>.

Each applicant must submit ***an original and three copies*** of his/her application **to be received no later than April 11, 2009 to:**

**Jean G. Hansen, P.E.
Marsh USA, Inc.
1060 State Rd., 2nd Floor
Princeton, NJ 08540**

Please communicate to the students that activity in ASCE and the content of the answers to our questions are equally important as grade point average and need. It is the Section's intent that this award will not reduce any student's current financial aid. If this could be a complication, please let us know so that the method of award can be resolved early.
