**JANUARY MEETING  
Thunder Bay Grille, Davenport, IA**

**Speaker:** Dr. Doug Wallace, P.E.

Doug is a civil and environmental engineering practitioner and educator with 40 years of international and domestic experience as a professor, consultant, project manager, and manager of engineering consultant firms. He also has taught extensively, which includes 5 years of experience as a university instructor and professor on the management of professional service firms. Doug's presentation will be on the principles of good project management and will focus on "Project Management Pitfalls" and how to avoid them.

**Location:** Thunder Bay Grille, 6511 N. Brady Street, Davenport, Iowa.

**Date:** Thursday, January 15, 2004

**Time:** Lunch: noon. Program: During lunch.

**Menu:** Order off menu.

**Cost:** Menu price.

**For reservations please email Mike Janecek at [m.janecek@mcclureengineering.com](mailto:m.janecek@mcclureengineering.com) or call at 309-792-9350 by Tuesday, January 13, 2004.**

Directions: Thunder Bay Grille is located on the north side of 65th Street and east of Brady Street in Davenport, Iowa. The meeting will be upstairs in the loft.

**Announcements**

1. The next ASCE meeting will be Thursday, March 18, 2004 and the presenter will be Nick Textor, P.E., who's topic will be the Thornton Transitional Reservoir.
2. ASCE is offering two new benefits to members: the "Wells Fargo Student Loan Program" (<http://www.capital4u.net/asce/>) and the "Career Connections" online job bank and resume service (<http://www.asce.org/careers/>).
3. We will be inducting three new life members at this January's meeting. Join us as we honor Bill Ashton, Wayne Brugger and Robert Leslie.
4. The Quad City section of ASCE is investigating sponsoring an education outreach project such as a local bridge design contest. Check out <http://www.asce.org/kids/westpoint.cfm> and let us know if you'd be interested in helping with the event.
5. The ASCE national board has approved a proposed amendment to the ASCE Constitution. The amendment will go to the members of ASCE this June for a ratifying vote. Details can be obtained at <http://www.asce.org/governance> and feel free to email your input to [governance@asce.org](mailto:governance@asce.org).

If you receive a hard copy of this news letter and would like to receive it via e-mail, send your address to Mike Janecek at [m.janecek@mcclureengineering.com](mailto:m.janecek@mcclureengineering.com). Sending newsletters electronically saves us expenses.
