ASCE Seattle Section Meeting

Wednesday, September 14, 2016

Place: Mirabella, 116 Fairview Ave N, Seattle, WA 98109

Cost: Early Bird Rates end after Wednesday, September 7
\$45 (\$40 early bird) for General Admission
\$20 (\$15 early bird) for students and free agents

Registration closes Sunday, September 11

Meal: Dinner buffet. Vegetarian and gluten free entrees are available upon request.

If you have any food allergies or require special accommodations, please contact Katie Sultani-Wright at kvswright@glosten.com or enter information during registration.

5:30 p.m. Networking/Social
6:30 p.m. Dinner
7:00 p.m. Program

[Click here to register.](#)

For assistance with online registration, please contact Don Nguyen at dnnng@cowi.com or Katie Sultani-Wright at kvswright@glosten.com

Direct questions or comments regarding meetings to Section President Evan Sheesley at seattleascepresident@gmail.com

Meeting Topic: Updates on Sound Transit 3 (ST3) Plan

Sound Transit has begun the process to shape a Sound Transit 3 (ST3) ballot measure that voters will consider in November 2016. ST3 will build upon the existing mass transit system of light rail, commuter rail and bus services.

More information on the meeting topic and speaker will be posted soon at the [registration page](#). To learn more about ST3 visit soundtransit3.org.

The next newsletter deadline is:
5:00 p.m.
Tuesday, September 20, 2016

## President's Column

By Evan Sheesley, PE, ENV SP, M. ASCE, Seattle Section President

*Thank you for a wonderful year*

Fellow ASCE Seattle Section members, it has been an honor to serve as the President of the Section this past year. I am constantly amazed by the ambition and the level of activity of our members. Here are just a few of the things ASCE Seattle did that this past year.

- **Rebuilding Together:** Sponsored a house in Seattle and organized volunteers to renovate a house for a family in need. This is an annual event for that goes back several years.
- **Engineers Without Borders:** Partnered with and donated to this respected organization who improves the quality of life for communities around the world.
- **Mentors:** Our Younger Member Forum is a highly active group who organize many events from students in the area. The annual Popsicle Stick Bridge Competition is one way in which they continue to teach the younger generation about the profession.
- **Sustainability Advocates:** Hosted a dinner program with Doug Sereno who taught ASCE members about sustainable infrastructure.
- **Geotechnical Experts:** Organized several programs and short courses on state-of-the-art geotechnical design, regional disaster preparedness issues, and lectures by nationally renowned engineers.

There are many other local activities and events that I do not have the space to mention here. Also not mentioned is the good work our members do at a national level.

As our new leadership takes the reins in October I am inspired by their energy and ideas. Kelli Dean has set goals for increased focus on mentorship. A big way in which ASCE hopes to support mentorship and inspire the younger generation this year is through an IMAX film they are producing called "[Dream Big](#)." The world premiere is coming this February. Be on the lookout for more information and opportunities to be involved in this event locally.

This year is going to be fun with lots of opportunities to get involved. I encourage you to continue to volunteer, come to membership meetings, or take that next step toward a leadership role in ASCE Seattle.

Hope to see you at the next membership meeting!

Sincerely,  
Evan

## University Mentor Night—Help Needed

If you are interested in being a mentor for a night for college students, the Puget Sound Engineering Council (PSEC)

needs your help! The purpose of the mentor night activity has been to bring as many practicing engineers together with as many students as possible. We are trying to inspire the students, most of whom are freshmen and sophomores as well as high school seniors, toward a career in engineering. The mentor night allows engineers to relay their experience in the profession and answer questions posed by students. The events offer an open forum where the students visit various tables and converse with the mentors. The mentors are asked to bring sample of their work, such as reports, drawings, models, that will fit on a 30" by 30" tabletop for discussion with the students. In

the past, some of the events have included over 40 mentors in 17 disciplines.

Annually, events are typically held at the following schools:

- Seattle Pacific University (SPU) – October 24, 2016, 6:00 to 8:00 pm
- Seattle Central College – January
- North Seattle College – March
- Highline College – April
- Bellevue College – May
- Shoreline College – May

If you are interested in participating in any of these events and being included on the Section's Roster of potential volunteers please contact Paul Grant at [pgrant@pangeoinc.com](mailto:pgrant@pangeoinc.com) for details. Please use the following links to sign up for the SPU event:

<http://www.eventbrite.com/e/engineering-mentor-night-seattle-pacific-univ-tickets-18695222915?aff=es2>

Thank you for your support.

### New Member Report

Based on the new membership information from the ASCE national database, the following members enrolled to the Seattle Section in June, July, and August.

|                  |                  |                |
|------------------|------------------|----------------|
| Anthony Ching    | Mariana Reyna    | Gwyneth Perry  |
| Kathryn Jacobson | Sheila Daut      | Shen-Hua Wu    |
| Gwyneth Perry    | Ruta Ikauniece   | Christina Oare |
| Jacob Locke      | Anthony Ching    | Donovan Klega  |
| Man Hin Ng       | Kathryn Jacobson | Angela Lanning |

### NW Regional Sales Manager

Growing Geotechnical Engineering Equipment company specializing in instrumentation, materials testing, and environmental protection products is seeking a qualified sales engineer to act as Regional Sales Manager for the NW United States, based in the Seattle/Everett area. The successful candidate must be technically savvy and able to communicate with civil engineers and technicians, as well as being a high energy, target oriented sales professional.

With production facilities in GA and WA and over 50 international distributors, the opportunity for personal and professional growth is unlimited. We pride ourselves in innovation and the standard of quality we have set for the industry (ISO 9001:2008 certified).

#### Job Summary:

The Regional Sales Manager's primary responsibility is to maximize the Company's sales revenue through direct sales effort in their assigned territory, with existing and prospective customers.

#### Qualifications:

Sales experience in a technical market, some experience in geotechnical work. Bachelor's degree in a relevant field or Associate's degree in relevant field with 5+ years of sales experience is required. Good understanding of mechanical devices is essential. Must be motivated and willing to meet company goals and objectives. Must be organized and understand time management. Ability to relate well to people, especially other engineers and customers of various nationalities. Presentation experience and professional image is essential. Ability to travel up to 50% of time. Must be computer literate.

#### Compensation:

Compensation is dependent upon experience, but is competitive and includes

base salary, incentives, company vehicle, generous health benefits, and a 401k plan.

For more information or to respond to this posting, please email resume to: [smyers@dgeslope.com](mailto:smyers@dgeslope.com)

### Civil/Structural Engineer

Are you looking to work in a team oriented, dynamic company with state of the art technology? Do you want to work in the beautiful Skagit Valley - rich in opportunities for fishing, kayaking, and hiking but with city life less than an hour away? Do you love challenges and innovation?

Apply here: [Civil/Structural Engineer Application](#).

#### Who We Are and What We Do:

Pacific Woodtech Corporation (PWC) took roots in 1998 as a wholly owned subsidiary of ITOCHU International Inc., a strong international company with a history of stability and long term vision. PWC manufactures laminated veneer lumber and I-joint products that are used mostly as structural building components both domestically and abroad. Team members find a rewarding and comfortable work environment, competitive compensation and benefits, and a passionate commitment to safety.

#### About This Position:

The Civil/Structural Engineer reports to the Director of Engineering and assists with the accountabilities listed below. This is a full-time, exempt position.

#### Required:

- Registered, professional Civil/Structural Engineer
- Competency with Microsoft Office
- Excellent communicator with a strong customer focus

- Sound reasoning and problem solving skills
- Thorough and accurate work
- Occasional travel

#### Preferred:

- Competency with VBA and SQL
- Wood design experience
- Knowledge of building codes

#### Accountabilities:

- Product Application
  - Create technical content for website and guides used by structural designers
  - Consult with structural design software providers on product properties and structural analysis
  - Consult with customers on project design and damaged product repair
  - Participate in engineered wood industry association activities (e.g. APA, WIJMA)
- Standards and Building Code Compliance
  - Contribute to development of ASTM, ANSI, and other related standards
  - Liaison with third-party inspection and certification agencies, and product evaluation services
- Product and Process Development
  - Design test programs, analyze and report results
  - Participate in decision-making with Operations and Sales & Marketing
- Quality Control
  - Specify manufacturing quality control policies and procedures
  - Assure continued compliance with evolving product standards
  - Provide oversight and technical assistance to the Quality Control laboratory

#### Wages and Benefits:

Wages depend on qualifications and experience. PWC offers an excellent benefits package.

Apply here: [Civil/Structural Engineer Application](#).

\*PWC is an Equal Opportunity Employer

## ASCE Seattle Section Executive Board Minutes for May 9, 2016 Meeting

### Attendees:

Amanda Schweickert  
Ann Albright  
Courtney Davis  
Evan Sheesley  
Lisa Harbert  
Tony Nguyen  
Gene Gladden  
Stef Herzstein

Meeting called to order at 12:04 pm by Evan. MOTION to approve agenda (as amended with tax update by Gene) and seconded by Lisa. Passed unanimously.

MOTION to approve April meeting minutes by Courtney and seconded by Lisa. Passed unanimously.

### UW Concrete Canoe – Ann Albright

- Concrete canoe is a national competition hosted by ASCE. In PNW region, UW won regional. The competition consists of making the concrete mix, forming it into a canoe, giving a technical presentation, and racing it.
- Gone to National Competition multiple times (4th year in a row). Last year got 9th place out of 22 teams at nationals. Sending 13 students to National Competition.
- Overall budget is \$13k. Starting at zero.
  - Can approve \$900 from the Section, but the rest of the \$1100 will need more discussion.
  - UW Concrete canoe earned 10k last year through crowd sourcing campaign.
  - ACTION ITEM: Once the board receives the crowd sourcing link from Ann, place the link on our website and in the newsletter. Ends June 14th.

### Old Business

- Connecting with Washington Sections     Evan
  - Finalized a proposal.
- Section Dues     Evan
  - Have the same dues through next season (2017).

### New Business

#### Treasurer's Report and Action Items – Gene

- Located past deposits from dinners. Around 6k.
- About 2k Paypal dollars.
- Tracking well.
- Next report will show ad revenue properly (from Todd).
- ACTION ITEM: Gene will update dinner income

more regularly. HH will confirm with Gene that the money is deposited.

- ACTION ITEM: Gene will have the Dinner Income/Section Allotment/ Advertisement Revenue reflected in the next Treasurer report.
- ACTION ITEM: Gene will send the balance statement showing the balance of all the dinner checks the past year to Evan and Kelli.
- Motion to approve the Treasurer's Report by Courtney and seconded by Amanda (with the understanding that the above action items are done and that the balance statement showing the balance of all the dinner check the past year are sent to Evan and Kelli). Passed unanimously.
- UW Concrete Canoe
  - Use Student Activity Fund to authorize 2k towards UW Concrete Canoe.
  - Motion to authorize 2k from funds by Stef and seconded by Lisa. Passed unanimously.

### Membership Chair Update – Kelli

- No Report.

### Standing Committee Report and Action Items –

#### A. Schweickert

- Intersociety Officer Workshop.
- ACTION ITEM: Amanda will send to Todd for the ASCE newsletter and to Courtney for the YMF newsletter the Kent Evergreen Girl Scout Day Camp event.
  - Looking for volunteers to talk about engineering principles. Three day event. 80-100 girl scouts.
- ACTION ITEM: Amanda will send to committee chairs announcement for need of judges at UW's ASCE student presentation competition.

### Branch Report and Action Items – A. Shellenberger (absent)

- ACTION ITEM: Give Amanda contact for F2P membership site for the North Branch Secretary.

### Technical Committee Report and Action Items – Lisa

- ACTION ITEM: Courtney will forward registration e-mail to Lisa and Lisa will contact Cory regarding registering engineers for earthquake disaster relief.

### YMF Report and Action Items – Courtney

- No action items. Board report attached.

(Continued on page 6)

(Continued from page 5)

### Other New Business

- 2016 R.H. Thompson Memorial Scholarship Confirmation
  - **Motion** to approve Alissa Capuano as the 2016 R.H. Thompson Scholarship recipient by Lisa and seconded by Courtney. Passed unanimously.

### Miscellaneous

### CONGRATS TO SEATTLE YMF FOR THE 2016 Younger Member Group Website Award - Large Group

Next Board Meeting will be June 13th.  
Next Membership Meeting will be on June 8th.  
Meeting called to a close at 1:08pm.  
Attached are Board Member Reports.

### **MEMBERSHIP REPORT – Kelli Dean**

- **New Members**
  - Based on the new membership information from the ASCE national database, downloaded on April 25, 2016: 1 new members have enrolled with the Seattle Section since April 1, 2016. The new members are: 5 students, 4 associates, and 2 affiliates. Ten of the new members have joined the Seattle Section and 1 has joined the Kitsap Branch.
- **Membership**
  - As of April 25th, 2016, the Seattle Section and Branches have 2,403 members (Seattle 2,124, Boeing 0, North branch 134, Kitsap 145). There are 29 more members than the same time a year ago. There are 717 YMF members at this time an increase over last month of 19.
    - The membership database received from ASCE headquarters was found to have 0 duplicates this month.

### **STANDING COMMITTEE REPORT – Amanda Schweickert**

- **Audit Committee - VACANT**
  - VACANT
- **Legislative Committee - Shane Binder**
  - No update
- **Diversity Committee - Diana Giraldo/Jacyln Hayden**
  - No update
- **History and Heritage - Cindy Hirsch**
  - Developing the plaque language for the replacement plaque at Snoqualmie Falls.

Today's style of plaque has about 80 words of interpretive information that wasn't there before. Then, the language is going to need to get approved by the ASCE National History Committee.

- We're also trying to tie down the costs of the images needed for our history brochure and coordinate some info with the Tacoma Section since Tacoma Narrows appears in it.

- **House and Hospitality - Don Nguyen/Katie Sultan-Wright**

- No update

- **Order of the Engineer - Amy Riley**

- The Order of the Engineer Ring Ceremony will be on Tuesday May 31st between noon and 1 pm in Bannan Engineering Room 311. Anyone interested in participating should mail the following information to Joy Crevier whose name and address is shown below:

- Full name, affiliation (eg. UW student, working professional), ring size (little pinkie of the working hand) + \$13 cash or check made payable to the Dept of Civil and Environmental Engineering

Joy Crevier  
Dept of Civil Engineering  
Seattle University  
901 12th Ave,  
Seattle, WA 98122

All payments should be received by May 6th. No refunds if you are a no-show; Participants should be present at the event to receive the ring (ie. cannot pick up the ring after the event - although he/she could attend a future event at SU at no charge).

- **Professional Practice - Ed Huston**

- No update

- **Program Chair - Younes Nouri**

- No update

- **RH Thomson Scholarship - Emily Spahn/Casey Nelson/Lorelei Williams**

The committee has selected a candidate that they would like to recommend for the scholarship.

- **Public Information - Elizabeth Guevara**

- No Update

- **PSEC - Paul Grant**

- Past Activities

- Engineering Mentor Nights

- Highline Community College - April 19
- Approximately 60 students and 22 mentors (4 CEs)

(Continued on page 7)

(Continued from page 6)

- Planned Activities
    - Engineering Mentor Nights
      - Bellevue College – May 4, 11am-1pm (note new noon format)
      - Shoreline Community College – May 11, 6-8pm
      - Intersociety Officer Workshop – May 7 10:30 am to 2 pm – University of Washington (off-site building at 7543 63rd Ave. NE, Building #5, Bay B, Seattle)
  - Action Items
    - Intersociety Officer Workshop - Evan has a copy of the announcement. Please circulate for attendance by new officers and Chairs of different groups.
    - Order of the Ring Induction Ceremony – If an open induction is held and the event is open to other societies, please forward info for distribution among PSEC member societies.
    - Links for mentor night sign-ups are provided in the newsletter. Also, PSEC is looking for volunteers to serve as coordinators for future events.
  - **University Advisory Committee – Amy Riley**
    - SU's first place winner for the paper competition will be presenting at the May Section dinner. UW will hold their paper competition later, so Kory Swabb will present on behalf of UW's Concrete Canoe team at the May Section dinner.
    - UW has scheduled their ASCE student presentation competition for June 3rd from 5-7:20pm in EEB 025. The committee is looking for 4-5 judges to cover a variety of Civil Engineering fields. Please contact Amy Riley, Amy.Riley@seattle.gov, if you are interested or know someone else who may be interested in being a judge.
    - **Action Item**
      - Need judges for UW's ASCE student presentation competition
  - **Washington State Board of Registration Representative – VACANT**
    - VACANT
  - **EWB-USA Puget Sound Professionals (PSP) Chapter – Eset Alemu**
    - No update
  - **Community Service – Kristina Lowthian**
    - The April Service event, Rebuilding Together Volunteer Event, was on Saturday April 30th from 8am-4pm in Seattle. There were 30-40 volunteers.
      - Thanks to all of those who have volunteered.
    - May Community Service - Storm Drain Marking
      - Saturday, May 21, 10:00am-12:00pm in Renton, WA
      - May is "Puget Sound Starts Here" Month! Come learn and help educate Renton residents in pollution prevention techniques. We'll mark storm drains with "Only Rain Down the Drain" decals, test your stormwater knowledge, and distribute educational materials to the public.
      - Please wear closed toed shoes and bring an appetite for lunch.
      - RSVP to Kristina Lowthian at nalani83@gmail.com for location details. When responding, please indicate if you need or could provide a ride for carpooling.
  - **K-12 Outreach – Eset Alemu and Vacant**
    - Planning for the annual Engineering Rocks is underway. The event is in May.
    - Eset has been in this position for the past two years and will be passing on the reigns to someone else. Thank you Eset for your hard work.
    - Interested individuals should contact Amanda Schweickert at amanda.schweickert@abam.com.
- BRANCH REPORT – Amanda Shellenberger**
- **North Branch (by Melissa Gehrman)**
    - The ASCE student chapter at Washington Engineering Institute that we have sponsored will be applying soon to become official.
    - The North Branch has developed a tentative meeting schedule for 2016.
      - March 16: Mt. Vernon
        - Speaker: Wayne Wright, PWS, CFP-GeoEngineers
        - Fish considerations to culvert replacement
      - May 18: Bellingham
        - Speaker: Doug Ranney-Whatcom County
        - Seismic Retrofit of 1929 Bridge
      - July 20: Mt. Vernon
        - Speaker: TBD
      - September 21: Bellingham
        - Chris Damitio, PE and Shane Spahr, PE-WSDOT
        - Anderson Creek Bridge (SR542)
      - November 16: Mt. Vernon
        - TBD
    - ACTION ITEM: How do give the North Branch secretary access to the FTP site for membership

(Continued on page 8)

(Continued from page 7)

data?

- **Kitsap Branch (by David Dinkuhn and Shylo Shorthouse)**
  - The West Sound STEM Showcase at the Kitsap Mall was a large success. We are planning on having a meeting on Tuesday, May 10th from 6-7:30 at the Toro Lounge, 315 Pacific Ave, Bremerton, WA, 98337. We hope to have another meeting on June 14th at the same time and location. We are still deciding if we will have July and August off.
- **Boeing Branch**
  - ACTION ITEM: Amanda Shellenberger to work on trying to get into contact with Boeing ASCE representatives.

#### Technical Committees Report – Lisa Harbert

- **COPRI Seattle Chapter**
  - Last month's meeting was on Envision. We have 12 attendees.
  - Next month's meeting is on May 25 and speaker is Bari Bookout from NWSA. The topic is the Northwest Seaport Alliance.
- **Geotechnical Group**
  - We had about 45 people at our dinner meeting on April 21st at the Red Lion in Bellevue. Donald Bruce presented his Terzaghi Lecture titled "The Evolution of Specialty Geotechnical Construction Techniques: The "Great Leap" Theory".
  - Our next dinner meeting will be on May 26th at the Best Western in Seattle. Dr. Ellen Rathje will be presenting "Seismic Stability of Slopes: New Developments and Incorporation of Uncertainty" For more details and a link to register for the dinner meeting, please visit our website: [www.seattlegeotech.org](http://www.seattlegeotech.org)
- **Lifeline Earthquake Engineering Committee**
  - Nothing to Report
- **SEAW Seattle Chapter:**
  - Nothing to Report
- **Sustainability Committee**
  - No activity in April.
  - Participating in Green Apple Day in May to teach students about their carbon footprint related to commuting and how to reduce their impacts.
- **Transportation Committee**
  - Nothing to Report
- **Water Resources**
  - At least 35 people attended our meeting last month, which was a Section-WRE joint meeting.
  - We had lunch boxes and a talk by Tim Flynn

from Aspect Consulting about aquifer recharge as a current strategy in Eastern Washington for water supply.

- This month we'll have a talk about the state of salmon in the region by Daniel Schindler from UW's School of Aquatic and Fishery Sciences.

#### YMF BOARD REPORT – Courtney Davis

- **Past Events**
  - March 23 – June 13 – ASCE Soccer Team – Spring Season [9 YMs]
    - Games are on Wednesday evenings at various fields around Seattle. All experience levels are welcome to join. Looking for more female players, presently.
  - March 30 – UW Concrete Canoe and Steel Bridge [3YMs]
    - A few younger members attended the University of Washington event when students unveiled their concrete canoe and steel bridge. Members interacted with the students as the students practiced their presentations prior to the regional competitions.
  - April 11 – Eastside Networking Event at Tavern Hall [12 YMs]
    - Our joint event with SEAW was very successful drawing in some new faces and providing a significant boost to the typical attendance of the SEAW YMF eastside events. The food was excellent (especially the nachos) and the shuffleboard was great fun.
  - April 14&28 – Lake Stevens High School ASCE Civil Engineering Club Meeting [10 Students, 1 YMs]
    - Lake Stevens High School students gather to do activities to learn about what engineering is. They also reach out within their High School to spread the word about civil engineering with posters, brochures ordered from ASCE, and by word of mouth.
  - April 18 – Scholarship Judging [4 YMs]
    - Reviewed applicants for YMF Scholarship and chose a winner. To be announced at the Seattle ASCE Awards Dinner
  - April 25 – Seattle Networking at Casco Antigo [6 YMs]
    - The Seattle YMF enjoyed authentic tacos, chips, and guacamole at Casco Antigo for the monthly networking. There were only six members that made it out on a beautiful

(Continued on page 9)

---

(Continued from page 8)

- April evening, but the discussion was lively and enjoyable.
- April 28 - YMF Leadership/Board Conference Call [9 YMs]
  - Went through positions and committee chairs to review progress of events, promotions, volunteer events, awards, and other ways to make YMF more successful.
- April 30 - Community Service Event - Rebuilding Together [10 YMs, 30 Volunteers]
  - The YMF, jointly with the Seattle Section of ASCE, participated in the Seattle Rebuilding Together Event. The weather cooperated and a lot was done for a community member that is less fortunate!
- **Upcoming Events**
  - May 9 - Eastside Networking @ Black Bottle Postern
  - May 12 - Lake Stevens High School ASCE Civil Engineering Club Meeting
  - May 14 - K-12 Outreach Event - Engineering Rocks @ Southcenter Mall
  - May 19 - Seattle Happy Hour @ Elysian Brewing Company
  - May 21 - May community Service Event - Storm Drain Marking in Renton
  - May 26 - UW Spring Social - Co-Sponsored by YMF @ UW
  - June 2 - Summer Picnic & Elections
  - June/July - Supercharge Your Career Series - Career Development
  - August 5 - 3rd Annual ASCE/SEAW Joint Golf Tournament
- **Committee Activities**
  - On-going soccer league

## THE NEXT GENERATION OF TRANSPORTATION

### ITS Washington’s 2016 Technology Showcase and Networking Event

September 8 from 5:00-8:00pm @ Métier Racing in Capitol Hill  
1017 E Union St, Seattle, WA 98122

\$20 for members | \$30 for non-members | Register [HERE](#)

Join the Intelligent Transportation Society of Washington (ITS Washington) for an evening of networking and transportation technology talk with some of the transportation professionals you know well, and a few you don’t. We’ll provide hors d’oeuvres, beer and wine, and a handful of industry leaders with cutting edge solutions that are already improving commutes in our region.

#### Participating Industry Leaders

#### Event Program

|                                                                                                                                                                                                                                                |                       |
