Small Project Development Committee

Happy Holidays to you all! We are going to take December off, but will meet again on January 17th from noon to 1:30. We don't have continuing education here in Washington State, but I just completed Sexual Harassment Training and Ethics Training for my other license. During the ethics, which was live, we discussed real cases that had gone before the boards. Some were interesting. Let's talk about ethics and some specific cases. How would you handle some of these situations?

We meet online the 3rd Wednesday of most months from noon to 1:30 and would love for you to join us. Email me to get on the list or just to attend one meeting.
