**GOLF OUTING RECAP**

This year's **ASCE-Syracuse Section Golf Outing** brought out a fine group of "talented" golfers. The event was held on August 22<sup>nd</sup> of this year at the beautiful Green Lakes State Park Golf Course in Fayetteville, NY. The tournament was best ball format and great prizes were awarded. In addition, we were able to raise enough money to fund a scholarship to be awarded to a graduating member of one of our affiliated student sections. Thanks to everyone who participated and helped make this event a success. Stay tuned for next years' event!
