VTASCE Monthly News and Updates

Happy Holidays everyone! I hope everyone enjoyed Thanksgiving with their friends and family. We had a great November with our first annual Norwich Hockey Game and our annual Joint VT/NH Meeting where we received an inspiring presentation from Dave Briggs about his work in Honduras designing and building water supplies for local villages. December we're excited for our very popular Holiday Social at [Three Needs](#) in Burlington where we join forces with VSE to gather as many toys as we can to donate to Toys for Tots. On Friday, January 24th we'll be having our annual ski day at Sugarbush so please save the date and hope for snow! For more information about Vermont ASCE you can always visit our website using the link below. Also see **job postings** and a list of our **sponsors** below. If you have any questions about the many benefits of being a Vermont ASCE member, please don't hesitate to email us at VermontASCE@gmail.com or visit the ASCE Website [Member Benefits](#) . If you would like to become a member or renew your membership, please use the links below.

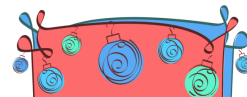

With the end of the year coming up fast, don't forget to get your [10 free PDHs](#) by checking out the link below! Another 10 free pdh's will be available to our members for 2020 so don't forget to register so you meet your Vermont PDH requirements before the June Deadline.

2019 Engineer and Young Engineer of the Year Nominations

Please help us find the next Vermont ASCE Engineer of the Year and Young Engineer of the Year by nominating them using the links below. Please provide their name, contact info and a short description on why you think they should win. Vermont ASCE will then nominate the winner for the State of Vermont Engineer of the Year or Young Engineer of the Year Awarded at the Annual Engineer's Banquet. We appreciate the input!

VTASCE Ski Day Save the Date

Our ever so popular annual ski day will be held at Sugarbush in Warren Vermont on Friday January, 24th 2020. Skip work or class and hit the slopes at discounted rates with an opportunity to build lasting relationships with the civil engineering community! Join us for a lunch and presentation at noon. More details to follow.

Vermont ASCE Infrastructure Report Card Mentioned in News

See link below for VT Digger article that refers to the 2019 Vermont Infrastructure Report Card developed by our section.
