### ASCE VT / VSE Annual Holiday Social

"The holiday social was a fun night of holiday cheer and great company! We had approximately 35 attendees and collected over 30 gifts of all age ranges. Some of the big hits included engineering themed toys like a microscope science set and a Tonka dump truck as well as fun toys for all like a LEGO Batmobile and super soft stuffed animals. It was great to network with members of VSE that I had never met before. All of the toys were brought to the donation bin at Local 22 & 44 and are on their way to children in need. Overall, a fantastic experience."
