

The Connecticut Society of Civil Engineers
presents the
17th Annual
ACHIEVEMENT IN CIVIL ENGINEERING
ACE AWARDS PROGRAM

The Connecticut Society of Civil Engineers (CSCE) Section of the American Society of Civil Engineers aims to enhance the professional growth of its individual members, the advancement of engineering knowledge, the maintenance of high professional standards, to promote Civil Engineering education, to foster student membership and participation and cooperation with other engineering societies, in a manner consistent with the objectives of ASCE.

CSCE is honoring the design and construction achievements of Connecticut Civil Engineers. These Achievement in Civil Engineering Awards or "ACE" Awards will commend projects on which significant engineering expertise or innovation was exhibited by Connecticut Engineers and especially CSCE members. The ACE Awards will distinguish these projects, and thereby honor the overall contributions of numerous engineers and other team members.

To be eligible, a project must have been **planned, designed, or constructed** substantially **between January 1, 2023, and December 31, 2023**, in Connecticut. Preference will be given to projects physically located in Connecticut. Completed ACE Awards Applications should include a Cover Sheet and related attachments (see other side of sheet). CSCE encourages firms that functioned as sub-consultants to submit individually or partner with the prime engineering firms to submit an application.

There is no application fee for ASCE/CSCE members; however, there is a required fee of \$300 for non-ASCE/CSCE members. All applications must be received by CSCE no later than **March 15, 2024** (or as revised on the CSCE website). Prior to submitting an application, please ensure that all necessary permissions have been obtained from the owner (and other project team members) to allow for the disclosure of information about the project and team members, and photographs of the project.

Each application will be evaluated by a jury established by the CSCE Executive Board, based upon the following criteria:

- Advancement and innovation in the field of civil engineering
- Contribution to the well-being of people and communities
- Ingenuity in construction techniques, materials
- Accomplishment of project objectives in the face of significant challenges
- Excellence in the management of the design and/or construction process or design
- Client satisfaction

After the presentation of the awards, CSCE will send out a press release recognizing all projects and team members receiving ACE Awards. For more information, please contact CSCE at csceinfo@gmail.com or admin@csce.org.

Please note that applications shall not be specific to a particular category. Based on applications received, CSCE will divide and award projects by construction value, by discipline (transportation, environmental, structural, etc.) and/or other categories that are reasonable and logical to the Executive Board.

Thank you for your participation!

2024 CSCE ACE Awards Application Cover Sheet

Project Name: _____

Project Location (City, State): _____

Date of Project Completion (for phase/segment of project under this application): _____

Construction Cost: _____

If project is in the pre-bid phase and construction cost information is confidential, please provide construction cost range.

Applicant Name: _____ Firm Name: _____

Firm Address: _____ Project Role: _____

Telephone: _____ Email: _____

Project Description (500 characters or less): _____

This is what will be read to introduce the project at the Awards dinner.

Project Team Members (Engineers, Architect, Contractors, Construction Manager, Owner, etc.)

If team members are to be listed on the plaque, please list them in the order they should appear on the plaque.

Company Name	Office Location (City, State)	Project Role	Name on Plaque? (Yes/No)
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Attachments:

1. Narrative (no more than three pages) explaining why the project deserves an ACE Award
2. Up to 6 photographs in digital formats with descriptions (.doc or .pdf format)
3. At least 1 client testimonial or recommendation (required)
4. Any other materials that will assist in evaluating the merits of the project, including news articles
5. 6 Electronic slide files with up to 6 project photographs for use in slide show at ACE Awards
6. \$300 fee for non-ASCE/CSCE members

This completed form is the cover sheet of your application package. Please submit the application electronically as a pdf file via email to csceinfo@gmail.com or admin@csce.org by **March 15, 2024** (or as revised on the CSCE website). Originals or hard copies are no longer required to be submitted. Please note that only complete applications will be considered for awards.
