

# STRUCTURAL ENGINEERING STUDENT POSTER COMPETITION

at the 2025 SEI-CT Structural Engineering Seminar

## Win Cash Prizes!

- \$1,000 for 1st Place
- \$650 for 2nd Place
- \$350 for 3rd Place

(Graduate & Undergraduate categories)

## Gain Recognition

Present your work at the 2025 SEI-CT Structural Engineering Seminar in front of industry leaders, professionals, and peers. Your ideas could shape the future of engineering!

## Expand Your Network

Connect with practicing engineers, faculty, and fellow students. Build relationships that can launch your career.

For complete details,  
please visit the CSCE  
webpage

## How It Works

Submit your abstract, and if selected, create a visually powerful poster and give a short presentation at the seminar. Judges will evaluate clarity, technical quality, design, communication, and creativity.

## Awards Ceremony

Celebrate your achievements at the seminar's closing session, where winners will be honored in front of the entire engineering community.
