

On May 12, 2026, the Connecticut Society of Civil Engineers (CSCE) recognized recent civil engineering achievements in Connecticut at its 19th Annual Achievement in Civil Engineering (ACE) Awards ceremony at the Aqua Turf Club in Plantsville, CT. The 2026 ACE Award for Highway Safety Improvements was presented to KS Engineers, P.C., CTDOT and the Yonkers Contracting Company for their Auxiliary Lanes, Resurfacing, and Safety Improvements on I-95 in Stamford, CT, project.

KS Engineers, P.C. (KSE) as Designer, Engineer of Record, and Construction Quality Manager provided Design-Build services including multidisciplinary design, construction quality control, and construction inspection for infrastructure improvements along I-95 in the City of Stamford, CT. KSE worked with CTDOT, Yonkers Contracting Company, and all stakeholders to deliver a fully integrated solution that enhanced capacity and safety of a major interstate highway, benefiting thousands of motorists in the area.
