CSCE PAST PRESIDENTS

CSCE would like to honor the service of our CSCE Presidents who have made major accomplishments to our organization. The CSCE of the present is the result of a merger of two organizations over 25 years ago. The Connecticut Society of Civil Engineers was founded in 1884, while the Connecticut Section of the American Society of Civil Engineers was founded in 1919. In 1958, the Section had 523 members. In 1955 (the nearest comparable year for reliable numbers), the Society had 1,033 members.

The two organizations met separately until they merged in 1981, by mutual vote of membership, to become the Connecticut Society of Civil Engineers Section of American Society of Civil Engineers or CSCE. CSCE would like to thank past presidents John Lenard (Section President 1979), David Mylchreest (Society President 1979), Alan Wengell (Section President 1980), Clifford Washburn (Society President 1980) for their work in merging the two organizations.
