

UNIVERSITY OF HARTFORD

COLLEGE OF ENGINEERING, TECHNOLOGY, AND ARCHITECTURE

Virtual Graduate Open House

The University of Hartford will be hosting a virtual graduate open house the week of October 26 thru October 30th. Faculty and staff members from our 60+ graduate programs will provide virtual information and question and answer sessions designed to help you explore Graduate Studies at the University of Hartford. We encourage you to attend for in-depth program and student resource information sessions, faculty connection opportunities, and general sessions. The event will also include a welcome and focused conversation session with our Graduate Studies and financial aid team.

Please visit the website: <https://www.hartford.edu/academics/graduate-studies/information-sessions/virtual-open-house-event.aspx#>
