GZA GeoEnvironmental, Inc.

Principal

Job Posted: November 23, 2021

GZA GeoEnvironmental, Inc. is seeking a Principal to lead our Civil & Water Resources Engineering practice in our Springfield, MA office. The ideal candidate is a registered PE with a versatile engineering consulting background and a seller-doer aptitude. In this role, you will lead a wide variety of civil and water resources engineering assignments, working with a staff of interrelated professionals dedicated to providing high-level expertise on complex projects above, below and at ground-level, for municipal, state, and private clients. Responsibilities include development of work through client relationships, management of a team of civil, water resources and geotechnical engineers, and management of project financial terms and performance. Our close-knit culture will allow you to apply your expertise and diversify your skill set while participating in challenging projects. GZA offers ownership and profit-sharing opportunities with the firm. For more information/to apply, please visit <https://tinyurl.com/s6y2cxt6>

University of New Haven

DEPARTMENT OF CIVIL AND ENVIRONMENTAL ENGINEERING

TAGLIATELA COLLEGE OF ENGINEERING

University of New Haven

Lecturer & Assistant Professor positions

Job Posted: November 1, 2021

The Department of Civil and Environmental Engineering at the University of New Haven invites applications for 1) a Non-tenure track full time Lecturer in Construction Management and 2) a Tenure-track Assistant Professor (or a Non-tenure track Lecturer) in Environmental Engineering with primary expertise in water treatment, solid waste management or climate change/air pollution. The positions will commence in Spring 2022 or Fall 2022. Review of applications will start immediately and continue until the position is filled.

Apply at:

- 1) <http://apply.interfolio.com/96130> - Non-tenure Track Lecturer in Construction Management. The successful candidate must have extensive professional experience in Construction Management/Engineering.
- 2) <http://apply.interfolio.com/96125> - Tenure Track Assistant Professor in Environmental Engineering. Exceptional candidates with prior teaching experience and a strong record of scholarship may be considered for an Associate Professor appointment.

TPA Design Group

Civil Engineer

Job Posted: November 1, 2021

TPA Design Group is a multi-disciplinary consulting firm with over 75 years of experience in providing site planning, engineering, and landscape architecture services to clients throughout Connecticut and New England.

We are seeking a Connecticut-licensed PE with at least five (5) years of practical experience including hydrology, storm drainage and sanitary sewer design, utility layout, site and roadway layout, grading and erosion control. Candidates with EIT status and seeking PE certification may also be considered.

The ideal candidate will demonstrate competency with basic professional skills including ability to communicate verbally and in writing with colleagues, allied disciplines, clients, and the public. Proficiency with AutoCAD Civil 3D and Hydrologic/Hydraulic modeling software is required. Candidates should have prior experience and good working knowledge of local, state, and federal permit processes including presentations before municipal and/or regulatory review boards. This position involves occasional travel within Connecticut for field work and meetings.

Salary range for this position is \$70,000 to \$90,000 to be negotiated based upon experience and project examples. This position is for full-time employment (40 hours per week) and includes health, dental, and other benefits. Remote work and/or work from home arrangements will be considered.

TPA Design Group is an Equal Opportunity Employer. Please send a cover letter and resume in confidence to: TPA Design Group, 85 Willow Street, New Haven, CT 06511. For more information, please contact David Sacco, P.E. – dsacco@tpadesigngroup.com
