

JUNE 2026 NEWSLETTER

From the the President

Dear CSCE Members,

I hope everyone is enjoying their summer!

We are actively looking for writers for our 2026 CSCE Infrastructure Report Card. This is a great opportunity to share your expertise and help us develop a meaningful evaluation of the condition of Connecticut's infrastructure. Please reach out to me at ehoyt@chasolutions.com if you would like to help.

While we have already secured a few speakers for the upcoming year, CSCE is still actively seeking additional speakers for our 2026-2027 monthly meetings. If you're interested in presenting at one of our upcoming events, or if you have any suggestions for meeting topics or activities, please feel free to contact me at ehoyt@chasolutions.com. We still have several open slots and plan to continue offering virtual lunch meetings throughout the year. Most meetings will also continue to offer NYS PDHs.

We're proud to share that Rich Cohen, a past CSCE President, has been elected as an ASCE Region 1 Governor. Rich has played a key role in CSCE over the last five years, and we know he'll bring that same energy and dedication to his new regional role. Congratulations, Rich!

A special thank-you goes out to Tyler Parker for his outstanding leadership during his term as CSCE President. We're grateful for his continued support as we look ahead to 2027.

As your incoming 2026-2027 CSCE President, I look forward to connecting with more of you throughout the year. Keep an eye out for upcoming event details. I hope to connect with you all soon.

Thank you,
2026-2027 CSCE President
Eric Hoyt, P.E., M.ASCE

2026-2027 CSCE Annual Sponsorship

In 2024, CSCE introduced its Annual CSCE Sponsorship, which was a new sponsorship and promotional opportunity for companies in Connecticut and provided many benefits for companies, including:

- PowerPoint slide recognition at every meeting – presented by CSCE
- Company logo included in emails promoting the meeting
- Company logo included on all the meeting/event invitations sent by CSCE
- 5 dinner meeting registration vouchers – These can be used all at one dinner meeting or spaced out throughout the year at multiple dinner meetings, but not at the ACE Awards event
 - Includes PDHs for employees attending the meetings that offer PDHs
- Sponsorship recognition in CSCE Newsletter and on the CSCE website

In its inaugural year, CHA, HNTB, and Seaboard Drilling supported CSCE's activities through this sponsorship. In 2025-2026, Geotechnical Solutions, Inc., Seaboard Drilling, CHA, McFarland Johnson and Parsons for supported CSCE with such a sponsorship. Would your company like to become a sponsor for 2026-2027? If so, please register online or complete the form on the next page.

HALEY WARD®

Thank you to our 2026-2027 Annual Sponsor!

CSCE Annual Sponsorship Form

Annual CSCE Sponsorship Opportunity Form

Benefits of Sponsorship:

- PowerPoint slide recognition at every meeting - presented by CSCE
- Company logo included in emails promoting the meeting
- Company logo included on all the meeting/event invitations sent by CSCE
- 5 dinner meeting registration vouchers - These can be used all at one dinner meeting or spaced out throughout the year at multiple dinner meetings, but not at the ACE Awards event
 - Includes PDHs for employees attending the meetings that offer PDHs
- Sponsorship recognition in CSCE Newsletter and on the CSCE website

Annual Sponsorship Cost for ASCE/CSCE firms (Firms with partnership relationships with ASCE or employ at least 5 CSCE members): \$2,000

In Memoriam

Past CSCE President Alan Wengell

1945-2026

CSCE recently learned of the passing of Alan Wengell, P.E., (80) of Anna Maria Island, FL, formerly of Newington, CT, on April 12, 2026. He was the CSCE President from 1980-1981. Please see his online obituary below.

Born and raised in Bridgeport, CT, Alan later attended the University of Connecticut, where he received degrees in Civil and Agricultural Engineering.

Highlights of his life included the Peace Corps serving for two years in Tanzania, East Africa. He was also especially proud of helping found WMC Engineers, where he worked for many years as President.

Alan's interests varied from remodeling his home, constructing a Maine lake cottage, gardening, to traveling. He did make it to all seven continents.

Life Member Group in CSCE?

There are many exciting and valuable activities in CSCE that could benefit from a Life Member's expertise such as Engineers Week, mentoring programs for college students in one of our ASCE Student Chapters (like at Resume Reviews), mentoring Younger Members, visiting schools with the CSCE Career Guidance Committee, giving a presentation at a monthly dinner meeting or annual professional development seminar, and helping to prepare CSCE's 2026 Infrastructure Report Card for Connecticut. There are now 251 Life Members in CSCE, which represent about 15% of CSCE's membership. If you are a Life Member who is interested in getting more involved with CSCE by being a part of a fledgling Life Member Group, please send an email to CSCE at csceinfo@gmail.com or call/text 860-879-2723.

EVENT RECAP

YMG Night at the Ballpark

MAY 27, 2026

On May 27, 2026, the CSCE Younger Members Group (YMG) held its annual Night at the Ballpark at Dunkin' Park in Hartford, CT, to watch the Hartford Yard Goats (dressed as the New Britain Rock Cats) take on the Altoona Curve. Prior to the game, the YMG held a pre-game social on the Yard Goats Patio with complimentary buffet and soft drinks. It was a great night meeting new industry professionals and cheering the Yard Goats to victory!

DONATION

SURVEYING TOTAL STATION

CCSU ENGINEERING

The Central Connecticut State University (CCSU) Engineering Department is reaching out to our community for assistance in securing a donated used total station to support student surveying labs and fieldwork. The program is specifically seeking a Topcon ES-103, ES-105, or GM-55 model units that are commonly used in practice and compatible with the department's current equipment. A donation of one of these models would go a long way in enhancing hands-on learning opportunities and helping students build practical skills that translate directly to the field.

If you or your firm may be able to help, or would like more information, please contact Dr. Junnan Cao in the Engineering Department at jcao@ccsu.edu. Your support is greatly appreciated and makes a meaningful difference for CCSU's future engineers.

VOLUNTEERS NEEDED FOR 2026-27

Continuing Education Committee Chair

This group formulates and executes Continuing Education activities in the Section consistent with the goals of the Board and assists other Section Committees and Technical Groups in areas of Continuing Education.

Programs Committee Chair

This group plans, schedules and makes necessary arrangements for the Section's monthly dinner meetings.

CSCE Executive Board

Newsletter Editor

Edits CSCE's monthly newsletter

Membership Committee Chair

This group encourages civil engineers to become affiliated with the National ASCE and the CSCE Section.

Legislative Affairs Committee Chair

This group investigates, studies, and makes recommendations to the Executive Board and Technical Groups concerning standards of practice, professional ethics, and other timely public issues in which the Civil Engineer has a particular interest and legislation as it affects the profession and the Section.

LEND A HAND FOR OTHERS

WOULD LIKE TO VOLUNTEER**

CSCE CONNECTING WITH SCHOOLS

For High Schools:

If you know of a high school that would be interested in getting information about careers in civil engineering, please contact CSCE via email at csceinfo@gmail.com. CSCE Members would be very interested in connecting with high school students (virtually or in-person) to share information about career opportunities in civil engineering and related fields.

For Middle Schools:

If you know of a middle school that is having a career day or has teachers who want to share information about civil engineering with their students, the CT Section of ASCE (CSCE) can help provide speakers who can talk to students about civil engineering & bring handouts such as brochures & flyers. Please contact CSCE via email at csceinfo@gmail.com for more information.

ARE YOU UNEMPLOYED? ASCE NATIONAL HAS A PROGRAM TO WAIVE DUES OF UNEMPLOYED MEMBERS. FOR MORE INFORMATION, WRITE TO:
