

SEPTEMBER 2025 NEWSLETTER

From the the President

Dear CSCE Members,

Thank you for taking the time to read the September Newsletter!

We look forward to bringing you more opportunities for both virtual and in-person meetings as we approach the new year.

In September, we enjoyed offering a dinner meeting at UConn on September 17th that featured Stephen Hall's presentation on CTDOT's plan to remove the 2 traffic signals on Route 9 in Middletown and a webinar on the work of the MS4 unit at CTDOT on September 24th. We finished the month with another successful geotechnical conference hosted by the CT Valley Chapter of the ASCE Geo-Institute in Rocky Hill, CT.

Looking ahead, October is already packed with two exciting CSCE events:

- October 21st – Dinner Meeting at CT State Community College at Three Rivers, featuring a presentation on the New London Community Center project, one of this year's ACE Award winners.
- October 30th – Fairfield County Branch Social at Elicit Brewing Company in Fairfield, CT

I hope to see you at one of these upcoming events!

Do you have a project, article, or idea you'd like to see featured in the newsletter? If so, please reach out to me at tparker@hwlochner.com – we'd love to highlight your work.

Tyler Parker, P.E., M.ASCE

2025-2026 CSCE Annual Sponsorship

In 2024, CSCE introduced its Annual CSCE Sponsorship, which was a new sponsorship and promotional opportunity for companies in Connecticut and provided many benefits for companies, including:

- PowerPoint slide recognition at every meeting – presented by CSCE
- Company logo included in emails promoting the meeting
- Company logo included on all the meeting/event invitations sent by CSCE
- 5 dinner meeting registration vouchers – These can be used all at one dinner meeting or spaced out throughout the year at multiple dinner meetings, but not at the ACE Awards event
 - Includes PDHs for employees attending the meetings that offer PDHs
- Sponsorship recognition in CSCE Newsletter and on the CSCE website

In its inaugural year, CHA, HNTB, and Seaboard Drilling supported CSCE's activities through this sponsorship. For 2025-2026, CSCE would like to thank Integrated Geotechnical Solutions, Inc., Seaboard Drilling, and CHA for supporting CSCE with such a sponsorship. Would your company like to become a sponsor for 2025-2026 too? If so, please register online or complete the form on the next page.

Thank you to
our 2025-
2026 Annual
Sponsors!

CSCE Annual Sponsorship Form

Annual CSCE Sponsorship Opportunity Form

Benefits of Sponsorship:

- PowerPoint slide recognition at every meeting - presented by CSCE
- Company logo included in emails promoting the meeting
- Company logo included on all the meeting/event invitations sent by CSCE
- 5 dinner meeting registration vouchers - These can be used all at one dinner meeting or spaced out throughout the year at multiple dinner meetings, but not at the ACE Awards event
 - Includes PDHs for employees attending the meetings that offer PDHs
- Sponsorship recognition in CSCE Newsletter and on the CSCE website

Annual Sponsorship Cost for ASCE/CSCE firms (Firms with partnership relationships with ASCE or employ at least 5 CSCE members): \$2,000

Annual Sponsorship Cost for Non ASCE/CSCE firms: \$2,500

Life Member Group in CSCE?

There are many exciting and valuable activities in CSCE that could benefit from a Life Member's expertise such as Engineers Week, mentoring programs for college students in one of our ASCE Student Chapters (like at Resume Reviews), mentoring Younger Members, visiting a school with the CSCE Career Guidance Committee, giving a presentation at a monthly dinner meeting or annual professional development seminar, and helping to prepare CSCE's 2026 Infrastructure Report Card for Connecticut. There are now 251 Life Members in CSCE, which represent about 15% of CSCE's membership. If you are a Life Member who is interested in getting more involved with CSCE by being a part of a fledgling Life Member Group, please send an email to CSCE at csceinfo@gmail.com or call/text 860-879-2723.

OCTOBER 21, 2025

CSCE DINNER MEETING

Please join civil engineering students, friends, colleagues and CSCE members at our monthly meeting at CT State Community College Three Rivers, Norwich, CT, on Tuesday, October 21, 2025. At this meeting, R. Scott Erricson, P.E., e2 engineers, will give a presentation on the New London Community Recreation Center project that opened in July 2025. One (1) New York State PDH will be offered at this meeting. This meeting is co-sponsored by the CT Chapter of the ASCE Construction Institute and students & faculty at CT State Community College Three Rivers.

Our dinner meeting will be preceded by a meeting of the Environmental Engineering Industrial Advisory Committee (IAC) at CT State Community College Three Rivers at 4 p.m. The Environmental Engineering Industrial Advisory Committee serves as a vital bridge between the classroom and the professional world. Its guidance ensures the program remains current, effective, and responsive to the evolving needs of industry—while reinforcing the college's mission to prepare students for meaningful, sustainable careers. At this meeting, the college is looking for input on updates for the A.S. degree in Environmental Engineering Technology as well as two key certificate programs (Land Surveying & GIS Environmental Health & Safety). If you would like more information about this meeting and how to attend, please send an email to csceinfo@gmail.com.

CSCE DINNER MEETINGS

Please join CSCE at our monthly meeting at Quinnipiac University, North Haven, CT, on Tuesday, November 18, 2025. At this meeting, representatives from IMEG and AECOM will give a presentation on the Greater Hartford Mobility Study. Attendees may earn one (1) New York State PDH at this meeting. This meeting will be co-sponsored by the CT Chapter of the ASCE Transportation Institute and the ASCE Student Chapter at Quinnipiac University.

CSCE Dinner Meeting at Quinnipiac University

5:30-6:30 p.m. Social & Registration Hour,

6:30 p.m. (Dinner & Presentation)

Scan the QR code below for more information.

The Greater Hartford Mobility Study (GHMS) is a Planning and Environmental Linkage (PEL) study by the Connecticut Department of Transportation (CTDOT). It epitomizes a groundbreaking, expansive effort aimed at redefining the entire landscape of Greater Hartford's transportation infrastructure. The study is governed by the principles of the PEL approach and is a concerted, long-term effort to elevate mobility, stimulate economic growth, and fortify environmental sustainability across the Greater Hartford Region. By aligning with the PEL methodology, the study assesses and coordinates an array of transportation recommendations. Each is designed to bolster the interconnectedness, efficiency, and equality of the regional transportation network, thereby driving economic prosperity and enhancing the quality of life for residents and visitors alike.

UPCOMING EVENTS

NOVEMBER 20, 2025

CSCE WEBINAR

The graphic displays the SPRINT principles for better bike infrastructure. It consists of a dark blue header with the letters S, P, R, I, N, T in large white font. Below each letter is a white icon and a brief description:

- S**: SAFE SPEEDS (LOWER SPEED LIMITS) - icon: speed limit sign
- P**: PROTECTED BIKE LANES (SEPARATE BIKES FROM CARS) - icon: bike lane with arrows
- R**: REALLOCATE SPACE (NARROW THE STREET FOR CARS) - icon: road narrowing
- I**: INTERSECTION TREATMENTS (BUILD SAFE CROSSINGS) - icon: intersection with arrows
- N**: NETWORK CONNECTIONS (CONNECT PEOPLE TO PLACES) - icon: network of lines
- T**: TRUSTED DATA (TAKE THE COMMUNITY SURVEY) - icon: bar chart

Below the header is a QR code with the text "Scan this QR Code or register on csce.org". To the right of the QR code is the text "November 20, 2025 12 p.m. ET Webinar on Bicycle Infrastructure". Below this is the text "Earn 1 NYS PDH" and the logo for the Transportation & Development Institute (T&DI) ASCE Connecticut Chapter.

Please join CSCE for this webinar on bicycle infrastructure that is sponsored by the CT Chapter of the ASCE Transportation & Development Institute, on Thursday, November 20, 2025. In this webinar, PeopleForBikes will discuss the principles underlying safe bike infrastructure, why bicycle infrastructure is important, and how places can become better for biking.

Martina Haggerty, Vice President of Infrastructure at PeopleForBikes, and Grace Stonecipher, Infrastructure Analytics and Research Manager at PeopleForBikes, will outline the reasons that having high-quality, connected, safe bike infrastructure is good for communities, and explore the most effective policy mechanisms for supporting better bike infrastructure, including Complete Streets mandates and speed limit laws.

They will also review PeopleForBikes' SPRINT principles for better bike infrastructure, which guide the creation of bike-friendly streets. Finally, using PeopleForBikes' Bicycle Network Analysis and Great Bicycle Infrastructure Project, they will dig into case studies across Connecticut, examining local bicycle networks and ongoing infrastructure projects.

EVENT RECAP

SEPTEMBER 2, 2025

SEI-CT SOCIAL

ASCE/SEI Connecticut Chapter (SEI-CT) had a great time at our first professional social night event on September 2nd at Urban Lodge Brewing Co. in Manchester, CT!

The evening featured an SEI-CT activity update highlighting past accomplishments and upcoming initiatives, followed by a keynote presentation by HAMID R. ADIB, Ph.D., P.E., F.SEI, F.ASCE, (Jacobs/Treasurer & Board of Governors of SEI) on the "The State of SEI". The event concluded with fun rounds of trivia. Attendees also enjoyed the opportunity to network and connect with one another throughout the event.

CSCE DINNER MEETING

*A view from the 1950s*

On Wednesday, September 17, CSCE held the first monthly meeting of its 2025-26 program year at the Graduate by Hilton Storrs Hotel at the University of Connecticut, Storrs, CT. CSCE President Tyler Parker started the evening off with an overview of CSCE's latest activities and was followed by a presentation by Christo Jamo, the President of the ASCE Student Chapter at UConn, on the Chapter's latest activities. Stephen Hall, P.E., Project Manager at the CTDOT, then followed those presentations with an overview of the CTDOT's efforts to remove the traffic signals on Route 9 in Middletown, CT, to alleviate safety concerns and improve traffic efficiency for commuters. Attendees found the presentation to be very informative and they enjoyed catching up with colleagues and students.

EMPLOYMENT OPPORTUNITIES

LANGAN **LANGAN - Senior Civil Engineer**

Langan is seeking a Senior Civil Engineer in New Haven, CT, to provide planning, design, and permitting for civil engineering, land development, and infrastructure projects. You'll work on mixed-use developments, shopping centers, residential, higher education, and federal projects, all in a continuous learning environment.
Apply on careers.langan.com

RACE Coastal Engineering - Waterfront Engineer

RACE Coastal Engineering is seeking an Engineer with 5-10 years of experience to support various projects. A Bachelor of Science Degree in Civil, Structural, Geotechnical, and/or Coastal Engineering with a Master of Science Degree preferred.

RACE Coastal Engineering - Civil Engineer

RACE Coastal Engineering is seeking a Civil Engineer with 3-7 years of experience to support various waterfront projects. A Bachelor of Science Degree in Civil Engineering with a Master of Science Degree preferred.

RACE offers excellent compensation and benefits, including health and dental insurance, paid holiday/vacation/sick time, and a retirement savings plan.

Pereira Engineering is an established Civil/Environmental/Land Surveying firm located in Shelton, CT. PE is seeking a Civil Engineer as well as Land Surveyors and Survey Technicians (at all levels of experience) to expand our Survey Department. PE offers a very competitive salary and benefits. Please email resume to: joe.pereira@pereiraeng.com.

***INTERESTED IN POSTING A JOB OPENING OR AD ON THE
CSCE WEBSITE OR IN THE NEWSLETTER?***

Please fill out the [Sponsorship Request Form](#) found on the Resources page of www.csce.org and send it to csceinfo@gmail.com. Once that information is received, CSCE will provide a cost estimate to you.

VOLUNTEERS NEEDED

Career Guidance Committee

This group provides information on Civil Engineering to the public, school libraries, high school guidance personnel and students (K-12) to aid them in their choice of career and to provide them with useful information about preparing for a career in civil engineering.

Continuing Education Committee

This group formulates and executes Continuing Education activities in the Section consistent with the goals of the Board and assists other Section Committees and Technical Groups in areas of Continuing Education.

Membership Committee

This group encourages civil engineers to become affiliated with the National ASCE and the CSCE Section.

Programs Committee

This group plans, schedules and makes necessary arrangements for the Section's monthly dinner meetings.

Legislative Affairs Committee

This group investigates, studies, and makes recommendations to the Executive Board and Technical Groups concerning standards of practice, professional ethics, and other timely public issues in which the Civil Engineer has a particular interest and legislation as it affects the profession and the Section.

WOULD LIKE TO VOLUNTEER

CSCE CONNECTING WITH SCHOOLS

For High Schools:

If you know of a high school that would be interested in getting information about careers in civil engineering, please contact CSCE via email at csceinfo@gmail.com. CSCE Members would be very interested in connecting with high school students (virtually or in-person) to share information about career opportunities in civil engineering and related fields.

For Middle Schools:

If you know of a middle school that is having a career day or has teachers who want to share information about civil engineering with their students, the CT Section of ASCE (CSCE) can help provide speakers who can talk to students about civil engineering & bring handouts such as brochures & flyers. Please contact CSCE via email at csceinfo@gmail.com for more information.
