DEPARTMENT OF CIVIL AND ENVIRONMENTAL ENGINEERING
TAGLIATELA COLLEGE OF ENGINEERING

Jan 4, 2023

Dear Colleague,

The Department of Civil and Environmental Engineering at the University of New Haven is offering a variety of MS level courses in the areas of General Civil Engineering, Construction Management, Sustainability, and Environmental Engineering each semester. We also schedule many courses in the evening or weekend. In addition some of courses are in fully online (asynchronous) or remote (synchronous). Any full-time employee who plan to pursue a MS degree would benefit. The following table summarizes the special courses that our department offer this spring for full-time employees. There is no prerequisite for any of the courses. Each course is a 3-credit.
