ASCE's mission is to provide essential value to our members, their careers, our partners and the public by developing leadership, advancing technology, advocating lifelong learning and promoting the profession.

GREETINGS DULUTH SECTION!

Greetings Duluth Section,

I hope you all were able to spend some time away from the office over the holidays with family and friends.

To start, I look forward to seeing you all on January 20th at Duluth LHB Office for our monthly luncheon. MnDOT and LHB will be presenting on the London Road project. The cost for attendance is \$ 25.00 if you RSVP before January 16 (by 5 pm) and \$30.00 at the door and students are free. So please RSVP when you see the invitation if you plan on attending.

We are currently planning for the toothpick bridge competition that will tentatively be hosted on April 16. The event will be held at UMD and is for local high school students. This will be our second time hosting the event after a couple years off and we are inviting more schools so we will have a morning and afternoon session. We are in need of judges for this event, so please let us know if you would be interested in helping out.

We would like to thank all of you who renewed your membership. Your local membership fees allow us to give back to our community in a variety of ways. This year we will be donating to the Second Harvest Northern Lakes Food Bank. Also, our section will be providing 3 scholarships for this year. To be considered for this scholarship, the candidate must be a junior, senior, or graduate student majoring in Civil Engineering and enrolled in the Fall 2025 semester. Watch for the application in our February newsletter for other criteria.

In closing, I hope to see you on the 20th for our monthly Luncheon and please remember to RSVP.

ASCE DULUTH SECTION SPONSORSHIP LETTER

We want to thank you for supporting The Duluth Section of the American Society of Civil Engineers in the past. Your sponsorship helps fund several programs that are specific to the Duluth Section. The first being our toothpick bridge competition. This program helps promote civil engineering at a young age, which is vital to the future of our profession. The second program is our annual scholarships to civil engineering and civil engineering technology students. Your sponsorship helps our local ASCE section to promote these valuable activities. That is why it is time again for us to ask you to renew your sponsorship, or consider a new sponsorship for 2025-2026. Our membership is comprised of engineers from a diverse range of companies (engineering, construction and geotechnical, etc.). We are very proud to showcase your company logo on our sponsor page.

With a contribution of \$ 250, your company's logo will be displayed in each section newsletter from September 2025 through August 2026. Our newsletter is produced 9 months of the year and reaches all of our 250+ members. Your support also aids the Duluth ASCE Section's efforts to keep the civil engineering community actively involved through technical presentations and networking luncheons, social activities, and student outreach activities.

If you would like to renew your sponsorship or become a sponsor, please send a check payable to **ASCE - Duluth Section** to the Section PO Box:

ASCE Duluth Section
P.O. Box 211
Duluth, MN 55802

New sponsors, or to update logos, email your company logo to Tyler Yngsdal at: tyngsdal@sehinc.com

Sincerely,
The Duluth Section Board of Directors
