6:15 PM Buffet Dinner  
6:45 PM Technical Presentation  
8:00 PM Awards Presentation  
8:30 PM Officer Installation  
8:45 PM Adjournment

Location: **Italian American Community Center**  
257 Washington Ave Ext, Albany, NY 12205

Topics: **East 138th Street Bridge Replacement**

Presented by: **Craig Ruyle, P.E., NYSDOT Region 11 Director**

We are restarting our spring annual dinner program! Please join us for a dinner meeting including a one-hour presentation of the East 138<sup>th</sup> Street Bridge Replacement. This unique project used several different accelerated bridge construction techniques to maintain pedestrian access and keeping all lanes open on the bridge during construction. It was also NYSDOT's second model-based contracting project, utilizing electronic files in lieu of plans for many of the contract documents.

The annual dinner program also includes several Mohawk-Hudson Section formalities including installation of officers and presentation of student scholarship, life member, younger member of the year, and meritorious service awards. Special recognition will be given to Sreenivas Alampalli, who recently received an ASCE Distinguished Member Award. This national award is only given to ten ASCE members per year. You will also have a chance to network with your peers and meet outgoing and incoming board members. We hope you are able to join us for this special evening.

**This program includes Dinner and provides 1.0 Professional Development Hour (PDH)**

Cost (per person): **Members: \$40**  
**Non-Members: \$45**  
**Students: \$15**

Reservations: Please make your reservations by scanning the QR code or by e-mail on or before **Wednesday, May 3, 2022** to the **ASCE Mohawk-Hudson Section** at the email address below.
