ASCE SEATTLE SECTION – FEBRUARY 2019 BRANCH REPORT by Tony Nguyen, M. ASCE

North Branch-Dawn Greenwood-Dawn Greenwood

Highlights

- North Branch January Membership Meeting Recap
 - The North Branch met last night (Jan 16) at The Trumpeter House in Mount Vernon. We had 13 people in attendance, two of which were guests of members. Jay Chennault of Associated Earth Sciences presented on water rights in Whatcom and Skagit counties. Our meeting ran long due to questions from members.
- December Officer Meeting Recap
 - O In December we had an officer meeting with Past President Erik Anderson, Secretary/Treasurer Zach Brown, and me. Zach is new to ASCE leadership and asked many good questions. We are looking forward to the year. We are planning another meeting in early February to discuss an Engineers Week Social Hour and our March meeting. We also need to get the new officers on the bank account.

- Legislative Committee Mark Koelling
 - WA State Infrastructure Report Card released on 17 January at Seattle City Hall.
 - Legislative Fly-In candidates are Richard Fernandez and Conrad Felice.
 - Richard received a "full" compensation from National, but still has some uncovered expenses. He is requesting up to \$401.60 (\$59 registration, up to \$342.60 for non-reimbursed airfare) to cover those expenses not reimbursed by National.
 - Conrad received a "partial" compensation from National. He is requesting \$1,000 to cover airfare (\$800 that he says is already purchased), registration, ground transportation, etc).
 - Conrad justifies his attendance with: "For the past two years, I have been assigned as the WA State Adcovacy Captain as well as for 2019 by ASCE national. What this entails is taking the lead for the WA at the Fly-in. For example, leading discussions at the Senate offices in ASCE issues and making sure those meeting individually with Representatives are comfortable (and if not pairing them with a more experienced individual). Also making sure no one gets lost in the halls of Congress and that they are on time for meetings."

YMF REPORT Don Nguyen

Past Events

- 11/29-01/03 Fall Volleyball
 - The YMF sponsored a volleyball team to help get members out and active with the days getting shorter. - Saturday, January 19 K-12 event Future City Volunteer Judging 3 YMs
 - The Future City Competition provides a fun and exciting educational engineering program for 6th, 7th, and 8th-grade students that combines a stimulating engineering challenge with a "hands-on" application to present their vision of a city of the future. Volunteers served as Model & Presentation judges or essay judges. We scored the physical 3-D city models on the day of the competition and evaluated innovation, creativity, aesthetics, workmanship and the use of recycled materials.
