Membership Report

HOMERO FLORES - MAY 2020

Membership

At the end of April 2020, the Seattle Section and Branches has 2,213 members (Seattle 1,960, North Branch 130, and Kitsap Branch 123, and unaffiliated 0). There are 461 YMF members now. **Figure 1** illustrates the breakout of Seattle Section membership by Section and Branch. **Table 2** shows a breakdown of members per Branch for the past 12 months of available data. **Figure 2** illustrates Seattle Section membership trends since 2010.

The membership database received from ASCE headquarters had 16 duplicates this month. This is because some members pay dues in a branch and Seattle.

Membership Drive progress

I have nothing to report here, although Elyssa was advertising the Section's LinkedIn group, and Mary and Madison have been working on reaching out to our membership. Additionally, the Section lead by Henry is putting up remote events in May.
