- June 2020 Meeting Minutes
 - MOTION to approve meeting minutes: Henry motions, Katie seconds. No discussion. Unanimously approved.

Old Business

Review Action Items and Follow-Ups

- Henry (in place of Mari)
- ACTION ITEM: Katie to get the August budget meeting set up (first week of August). Send Katie budget requests by August 1. This is done.
- ACTION ITEM: Elyssa will determine what YMF @seattleasce.org gmail accounts they need and will let Mari know so she can set them up. This is in progress.
- <u>ACTION ITEM:</u> Henry to notify Don of the September President's and Governor's Forum, which is planned for September 13-14 in Ruston, Virginia (in-person meeting planned at this time). This is done.
- ACTION ITEM: Homero will send a Doodle Poll for people to input on what dates work for the Planning Meeting, and will set up an agenda for the meeting. This is done.
- ACTION ITEM: Katie will investigate alternative hosting for our email accounts so
 we can eliminate payments and channel those funds towards an ASCE Zoom account
 instead. This is continuing.
- ACTION ITEM: Katie will sign up for an ASCE Zoom account. This is done.

Board Reports

• Treasurer's Report

Katie

- See attached
- MOTION to approve Treasurer's report by Katie. Henry seconds. Passed unanimously.
- o Discussion:
 - We did not have significant activity between June and now. We underspent our funds from last fiscal year, and are hoping to spend more on our members next year.
- Membership Report

Homero

- o See attached.
- O Discussion: no discussion.
- ACTION ITEM:
- Standing Committees

Mike

No report this month.

- O Discussion:
 - Richard Fernandez is leaving the Seattle area and leaving the Legislative Committee chair position open. We need to find someone to take that position. Elyssa suggests reaching out to people who worked on the infrastructure report card. Bobbie will send Homero a list of the people who were involved.
 - There is also need for people to volunteer for the Diversity Committee. Homero is thinking about folks who would be interested.
- ACTION ITEM: Mark will reach out to Mark Kelling to ask if he would be interested in the Legislative Committee chair position.
- Branch Report
 - See attached
 - O Discussion: no discussion
 - o **ACTION ITEM:**
- Technical Committee Report

Mark

Tony

- See attached.
- o Discussion:
 - Mark wants the technical committees to be included on the websitethey are not currently on there. We should coordinate directly with Madison for website updates.
- ACTION ITEM:
- YMF Report
 Elyssa
 - See attached
 - O Discussion:
 - O ACTION ITEM:

New Business

• Vote to Approve 2020-2021 Budget

Katie

- Mark commented about the \$1000 grant budget item for students in British Columbia. Mark would rather support local groups. For example, students from St. Martins (they are supported by the Tacoma-Olympia section). However, the BC students are currently without sponsorship and will be hosting a regional conference in 2022. The budget proposes supporting these students for this purpose using our current surplus of funds.
 - Vote: Katie, Henry, Mari, Elyssa vote in support of the approving the grant. Mark votes against. Approved.
- Vote for approving the 2020-2021 Budget. Approved unanimously.
- Region 8 News

Henry

- We are getting some funds back from National (unused funds from last year).
- Our new governor for 2020-2021 will be Fausto Burreoul.
- Henry and Elyssa did a presentation during the Region 8 Fall assembly.
- Don is working with the Region to help modernize their processes.
- Call for key committee positions

Henry

- o Legislative Committee Chair
- Diversity Committee
- Practitioner Advisors
- House and Hospitality Co-Chair
- Preparation for Sept 16 Section meeting

Henry

- We have a speaker, an announcement in the newsletter, a Constant Contact invitation will go out today, zoom logistics are taken care of
- We will announce that we are looking for Legislative Committee
 Chair and another House and Hospitality Co-Chair

• October Program - Board Induction

Henry

all

- Henry and Homero have spoken with the program chairs to make sure that they are getting speakers. It will be a joint meeting with the EWRI.
- Either Mark Lamer or Fausto Burruel will do the induction.
- Open Topics

Review Action Items Mari

- <u>ACTION ITEM:</u> Katie will investigate alternative hosting for our email accounts so we can eliminate payments and channel those funds towards an ASCE Zoom account instead.
- **ACTION ITEM:** Mark will reach out to Mark Kelling to ask if he would be interested in the Legislative Committee chair position.
- ACTION ITEM: Mari will continue the update of the Duties and Procedures Manual.

Next meeting is in October, 2020 (time and date TBD).

Adjourn

Meeting called to a close at 11:10am. MOTION to end meeting by Henry. Homero seconds. No discussion. Passed unanimously.

Membership

At the end of August 2020, the Seattle Section and Branches has 2,219 members (Seattle 1,970, North Branch 126, and Kitsap Branch 123, and unaffiliated 0). There are 481 YMF members now. *Figure 1* illustrates the breakout of Seattle Section membership by Section and Branch. *Table 2* shows a breakdown of members per Branch for the past 12 months of available data. *Figure 2* illustrates Seattle Section membership trends since 2010.

The membership database received from ASCE headquarters had 11 duplicates this month. This is because some members pay dues in a branch and Seattle.

Director's Comment: The various technical committees have their own methods for determining succession and the timing of the transition. I recommend, Section and National respect the succession protocols and adapt expectations accordingly.

Mission and Vision Statements for Technical Committees

ASCE Water Resources

None, but the website says: "The purpose of this committee is to create an active forum where members can engage in the local water engineering community. This is achieved by providing opportunities to attend informational presentations that highlight local water resource projects, issues, methods, and products. The Water Resources Committee also provides a venue for water resources professionals in the Seattle area to become acquainted, socialize, and exchange ideas."

Goals for the 2019-2020 year were set in an unofficial, internal document, but there is no formal growth/sustainment plan.

WA Safe

None

COPRI Committee

None

Geotechnical Group

Mission: To advance geotechnical practice in the Puget Sound Region by providing leadership on public issues, sharing professional experience, and promoting education.

Vision for 2020 – (created 20 years ago): Enhancing collaboration among groups serving our profession by seeking and being responsive to member feedback, maintaining and improving the group's website and seeking and improving joint activities with affiliated organizations. We also plan to continue with improving organization and day-to-day operations of the group to facilitate information sharing and informed decisions based on the current budget and past data.

Sustainability Committee

Mission: Build a community of local civil engineers, planners, facility owners, and students to share sustainable practices. We promote sustainable development principles through outreach activities, collaboration with others, and professional development.

Vision: Sustainable infrastructure for all people and the environment.

Director's Comment: Most of the technical committees do not have an action plan to get from where they are to where they want to be.

Definitions of Success for 2020 for Technical Committees

ASCE Water Resources

- Retaining existing members and continuing to have engaged audience at our monthly lunches
- o Diversify our pool of speakers to attract more attendance from colleges and government agencies
- Smooth transition of chapter leadership

WA Safe

Development of online training – most operations on hold pending end of pandemic

COPRI Committee

None

Geotechnical Group

According to the Group's president, "I'll consider it a success if we can engage the typical crowd virtually as well as engage more young engineers and new members while continuing to provide value during the pandemic through technical presentations and networking. I will also gauge it a success if I can get this board passionate about the future of the geotechnical group and mentor newer board members into learning how the group operates and to take on more responsibilities."

Sustainability Committee

None – Was discussed at the leadership transition meeting.

Responses to the question: "Is there any support you would like, or would have liked, from me or from Section?" from Technical Committees

ASCE Water Resources

You were very helpful this year when I reached out with questions regarding our listserv issues, thanks!

Geotechnical Group

We have the Zoom account information which has been helpful to organize meetings in this new atmosphere. I also think keeping the communication strong to implement a strong topic for our shared meeting in February would also be helpful.

Director of Technical Committee's Goals for 2020

- 1. Help very small groups by facilitating coordination of joint meetings with other stronger technical groups (even if not ASCE groups) where the strong group does the work:
 - a. For 2020 this will be planning few actual meetings likely,
 - b. Requires the smaller technical committees to know and share the email addresses of their members.
- 2. Understand the membership count of the various technical committees:
 - a. Total members,
 - i. Checked for redundancy?
 - ii. Checked for bounce backs?
 - b. Active members,
 - c. Membership requirements, if any.
- 3. Develop an opinion for 2021/2022 budgets.
- 4. Help strengthen Water Resources and COPRI Committee leadership.
- 5. Sustainability Committee
 - i. Has the greatest potential to grow and take a leadership position, if they want to. They may be happy with continued small individual tasks which is fine.
 - b. Need to define "Sustainability" in an ASCE context and in a lay-person context.
 - i. What makes a project "sustainable"?
 - c. Huge impact and growth potential if they were to team with other industry players.
 - i. Example Soilcrete thus far no interest.
