Describe the nominee’s pre-eminent qualifications for the Award in this category that clearly presents the outstanding features of the nomination (why this nominee is Outstanding). This could be used for selection process and issuing a press release. Please limit responses to 1,000 words:

A nomination package should include the following:

- A cover letter, signed by the nominator;
- A completed Nomination Form;
- The nominee’s curricula vitae or biographical information;
- A recent color photograph of the nominee, head-and-shoulders shot, for use in award announcements; and
- Letters of reference with contact information are desired, but not required (maximum of three).
- The entire nomination package should not exceed 10 pages and should be compiled in a single PDF.

SUBMITTAL INSTRUCTIONS

Step 1. Fill out and save the entry form above using Microsoft Word and save as an Adobe™ portable document format (.pdf). This form must be used. Page counts exceeding the noted limits will not be reviewed.

Step 2. Submit the completed form (Adobe™ .pdf format), along with any supporting materials via the following link:

<https://www.dropbox.com/request/AOcueqBVmldGgY3axLkE>

You will receive a confirmation email once the file has been successfully submitted.

All entries must be received prior to 11:59 p.m. Tuesday, April 1, 2025.

If you require alternate submittal options or have any questions, please contact Paul Lee (awards@seattleasce.org).

¹ *Nominating Engineer and Nominee must be members of the ASCE Seattle Section.*

RULES FOR ENTRY

Seattle Section

2025 Engineer of the Year /

2025 Young Engineer of the Year Awards

Eligibility

All of the following eligibility criteria below must be met:

1. Must be a licensed Professional Engineer in any US state or Canadian Province.
2. Must be an ASCE Seattle Section member in good standing.
3. Must pay Seattle Section dues and ASCE member dues.
4. For Young Engineer of the Year, must be 35 years old or younger on December 31, 2024.
5. Previous winners may not compete in subsequent years for the same category. Young Engineer of the Year and Engineer of the Year are considered separate categories.

Awards

One Engineer of the Year Award and one Young Engineer of the Year Award may be given at the discretion of the selection committee.

Submittal Materials

Please see Award Entry Form for specific submittal material requirements.

Individuals subsequently selected for an award will be asked to attend the Awards Dinner in late Summer (date TBD) and will be given time for a short acceptance speech.

Evaluation Process

The selection committee will review and select up to one winner for each category.

Evaluation Criteria

Submissions will be evaluated based on the composite application.

Awards

The Section will recognize the award winners with plaques, be announced in one of the Section's monthly newsletters, and/or an article for the Section's webpage.
