

## Friday, February 13, 2026 Draft Agenda

Time	Event	Location	PDH?
7:00 - 8:00 am	Registration	Entry Area	
7:30 - 8:00	Breakfast & Opening Remarks	Grand Ballroom	42211
8:00 - 10:00	Morning Session 1	Breakout Rooms	1 PDH
	Civil/Environmental	Harmful Algal Blooms and Cyanotoxins: What Civil Engineers Microplastics in Stormwater Control Measures	Dr. Jejal Bathi - UTC
	Engineering Mamt	Engineering Leadership and Supervision	Jerry Collins - Former MLGW CEO
		Ripshin Lake Dam Repairs	Jason Reeves - SME
		TBD (case study project)	Ryan Gerken - MBI
		King's Crossing - The new I-55 Mississippi River Bridge	Vincent Gastoni - Parsons
		None, students can join professionals	THIS COURT I GOOD
	Morning Session 2	Breakout Rooms	1 PDH
		PFAS in Stormwater: Sources, Environmental Behavior, and	Jennifer Byrd, P.E CDM Smith
	Civil/Environmental	TN Plan Flood Predictor	Katherine Osborne - Stantec
	Engineering Mgmt	"So you want to be a PM?"	Kevin McAlister - Barge
	Geotechnical	Sizing Shallow Foundations using Settlement Curves	Doug Bell - TTL
	Structural	New Parking Structure at Knoxville Airport	Brian White - TYS
	Transportation	BNA Vision Update	Traci Holton - Metro Nashville Airport Authority
	Students	None, students can join professionals	
10:00 - 10:30	Manning Drack With Vandara	Faders Associ	
10:30 - 11:30	Morning Break - With Vendors  Morning Session 3	Entry Area Breakout Rooms	1 PDH
10:30 - 11:30	Civil/Environmental	Characterizing the Impacts of Increased Reclaimed Water	Danielle Jones - Hazen and Sawyer
		Risk Management and Case Law Review	Jason Pannu - Freeman Mathis and Gary, LLP
		I-55/MS River Bridge Foundation Design	Robert Jowers - TDOT
		TBD (structural behavior modeling)	Michael Sheridan - Allen Hoshall
		Nashville's Choose How You Move Program	Sabrina Sussman - Metro Government of Nashville and Davidson County
		None, students can join professionals	,
	Lunch, Awards, & Keynote		
	Lulicii, Awalus, & Reyllote		
11:30 - 1:30 pm	Speaker	Grand Ballroom	1 PDH
11:30 - 1:30 pm 1:30 - 2:30		Grand Ballroom Breakout Rooms	1 PDH 1 PDH
	Speaker Afternoon Session 1		
	Speaker	Breakout Rooms	1 PDH
	Speaker Afternoon Session 1 Civil/Environmental	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator:
	Speaker Afternoon Session 1 Civil/Environmental Engineering Mgmt	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE)
	Speaker Afternoon Session 1 Civil/Environmental Engineering Mgmt Geotechnical	Breakout Rooms TDOT Hydrautic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier
	Speaker Afternoon Session 1 Civil/Environmental Engineering Mgmt Geotechnical Structural	Breakout Rooms TDOT Hydrautic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech
	Speaker Afternoon Session 1 Civil/Environmental Engineering Mgmt Geotechnical Structural Transportation	Breakout Rooms TDOT Hydrautic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring I-24 Choice Lanes	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT
	Speaker Afternoon Session 1 Civil/Environmental Engineering Mgmt Geotechnical Structural Transportation	Breakout Rooms TDOT Hydrautic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech
1:30 - 2:30	Speaker Afternoon Session 1 Civil/Environmental Engineering Mgmt Geotechnical Structural Transportation Students	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring I-24 Choice Lanes COMPETITION	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT
1:30 - 2:30 2:30 - 3:00	Speaker Afternoon Session 1 Civil/Environmental Engineering Mgmt Geotechnical Structural Transportation Students Afternoon Break - With Vendors	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring I-24 Choice Lanes COMPETITION Entry Area	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT
1:30 - 2:30	Speaker Afternoon Session 1  Civil/Environmental  Engineering Mgmt  Geotechnical Structural Transportation Students  Afternoon Break - With Vendors Afternoon Session 2	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring 1-24 Choice Lanes COMPETITION Entry Area Breakout Rooms	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT
1:30 - 2:30 2:30 - 3:00	Speaker Afternoon Session 1 Civil/Environmental Engineering Mgmt Geotechnical Structural Transportation Students Afternoon Break - With Vendors	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring I-24 Choice Lanes COMPETITION Entry Area Breakout Rooms Rethinking Release: Smarter Stormwater Quality through	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT
1:30 - 2:30 2:30 - 3:00	Speaker Afternoon Session 1  Civil/Environmental  Engineering Mgmt  Geotechnical Structural Transportation Students  Afternoon Break - With Vendors Afternoon Session 2  Civil/Environmental	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring I-24 Choice Lanes COMPETITION Entry Area Breakout Rooms Rethinking Release: Smarter Stormwater Quality through Development of the Wetland Screening Tool	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT  1 PDH Robert Chandler - Jen-Hill Andy Carroll - Skytec
1:30 - 2:30 2:30 - 3:00	Speaker Afternoon Session 1  Civil/Environmental  Engineering Mgmt Geotechnical Structural Transportation Students  Afternoon Break - With Vendors Afternoon Session 2  Civil/Environmental Engineering Mgmt	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring I-24 Choice Lanes COMPETITION Entry Area Breakout Rooms Rethinking Release: Smarter Stormwater Quality through Development of the Wetland Screening Tool Ethics	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT  1 PDH Robert Chandler - Jen-Hill Andy Carroll - Skytec Mike Dilderbeck - Pickering Firm
1:30 - 2:30 2:30 - 3:00	Speaker Afternoon Session 1  Civil/Environmental  Engineering Mgmt  Geotechnical  Structural  Transportation  Students  Afternoon Break - With Vendors  Afternoon Session 2  Civil/Environmental  Engineering Mgmt  Geotechnical	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring I-24 Choice Lanes COMPETITION Entry Area Breakout Rooms Rethinking Release: Smarter Stormwater Quality through Development of the Wetland Screening Tool Ethics	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT  1 PDH Robert Chandler - Jen-Hill Andy Carroll - Skytec Mike Dilderbeck - Pickering Firm Don Dotson - Geo SSG
1:30 - 2:30 2:30 - 3:00	Speaker Afternoon Session 1  Civil/Environmental  Engineering Mgmt Geotechnical Structural Transportation Students  Afternoon Break - With Vendors Afternoon Session 2  Civil/Environmental Engineering Mgmt	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring I-24 Choice Lanes COMPETITION Entry Area Breakout Rooms Rethinking Release: Smarter Stormwater Quality through Development of the Wetland Screening Tool Ethics Specifying Rock Anchors	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT  1 PDH Robert Chandler - Jen-Hill Andy Carroll - Skytec Mike Dilderbeck - Pickering Firm
1:30 - 2:30 2:30 - 3:00	Speaker Afternoon Session 1  Civil/Environmental  Engineering Mgmt  Geotechnical  Structural  Transportation Students  Afternoon Break - With Vendors Afternoon Session 2  Civil/Environmental  Engineering Mgmt  Geotechnical  Structural	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring I-24 Choice Lanes COMPETITION Entry Area Breakout Rooms Rethinking Release: Smarter Stormwater Quality through Development of the Wetland Screening Tool Ettics Specifying Rock Anchors From Crisis to Continuity – The Next Chapter for Tennessee's	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT  1 PDH Robert Chandler - Jen-Hill Andy Carroll - Skytec Mike Dilderbeck - Pickering Firm Don Dotson - Geo SSG
1:30 - 2:30 2:30 - 3:00	Speaker Afternoon Session 1  Civil/Environmental  Engineering Mgmt  Geotechnical  Structural  Transportation Students  Afternoon Break - With Vendors Afternoon Session 2  Civil/Environmental  Engineering Mgmt  Geotechnical  Structural  Transportation	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring I-24 Choice Lanes COMPETITION Entry Area Breakout Rooms Rethinking Release: Smarter Stormwater Quality through Development of the Wetland Screening Tool Ethics Specifying Rock Anchors From Crisis to Continuity – The Next Chapter for Tennessee's I-40 Mississippi River Crossing	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT  1 PDH Robert Chandler - Jen-Hill Andy Carroll - Skytec Mike Dilderbeck - Pickering Firm Don Dotson - Geo SSG Sal Vilches, PE - Michael Baker
1:30 - 2:30 2:30 - 3:00	Speaker Afternoon Session 1  Civil/Environmental  Engineering Mgmt  Geotechnical  Structural  Transportation Students  Afternoon Break - With Vendors Afternoon Session 2  Civil/Environmental  Engineering Mgmt  Geotechnical  Structural  Transportation	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring I-24 Choice Lanes COMPETITION Entry Area Breakout Rooms Rethinking Release: Smarter Stormwater Quality through Development of the Wetland Screening Tool Ethics Specifying Rock Anchors From Crisis to Continuity – The Next Chapter for Tennessee's I-40 Mississippi River Crossing I-24 MOTION and Traffic Safety Applications	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT  1 PDH Robert Chandler - Jen-Hill Andy Carroll - Skytec Mike Dilderbeck - Pickering Firm Don Dotson - Geo SSG Sal Vilches, PE - Michael Baker Dan Work - Vanderbilt
1:30 - 2:30 2:30 - 3:00 3:00 - 4:00	Speaker Afternoon Session 1  Civil/Environmental  Engineering Mgmt  Geotechnical  Structural  Transportation Students  Afternoon Break - With Vendors Afternoon Session 2  Civil/Environmental  Engineering Mgmt  Geotechnical  Structural  Transportation Students	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vlbration Smart Building Monitoring I-24 Choice Lanes COMPETITION  Entry Area Breakout Rooms Rethinking Release: Smarter Stormwater Quality through Development of the Wetland Screening Tool Ethics Specifying Rock Anchors From Crisis to Continuity – The Next Chapter for Tennessee's I-40 Mississippi River Crossing I-24 MOTION and Traffic Safety Applications COMPETITION	1 PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT  1 PDH Robert Chandler - Jen-Hill Andy Carroll - Skytec Mike Dilderbeck - Pickering Firm Don Dotson - Geo SSG Sal Vilches, PE - Michael Baker Dan Work - Vanderbilt Wesley Goodnight - MLGW & Evan Boulanger - TDOT  1 PDH Michael Peters - The Boring Company
1:30 - 2:30 2:30 - 3:00 3:00 - 4:00	Speaker Afternoon Session 1  Civil/Environmental  Engineering Mgmt Geotechnical Structural Transportation Students  Afternoon Break - With Vendors Afternoon Session 2  Civil/Environmental Engineering Mgmt Geotechnical Structural Transportation Students Afternoon Session 3 Civil/Environmental	Breakout Rooms TDOT Hydraulic Design Guidelines From Site to Stream: Success in Construction Stormwater Running an Engineering Business Northern MS Wind Farm Case Study Vibration Smart Building Monitoring 1-24 Choice Lanes COMPETITION Entry Area Breakout Rooms Rethinking Release: Smarter Stormwater Quality through Development of the Wetland Screening Tool Ethics Specifying Rock Anchors From Crisis to Continuity – The Next Chapter for Tennessee's 1-40 Mississippi River Crossing 1-24 MOTION and Traffic Safety Applications COMPETITION Breakout Rooms	I PDH Lina Khoury - Arcadis & Wesley Peck - TDOT Hannah Reither - TDEC Panel - Ken Barry (CEC), JT Malasri (ME), Russell Moorehead (Retired) Moderator: Thomas Lawrence (TLE) Matt Dorsey - Geopier Craig Henderson - TN Tech Paige Heintzman - TDOT Wesley Goodnight - MLGW & Evan Boulanger - TDOT  I PDH Robert Chandler - Jen-Hill Andy Carroll - Skytec Mike Dilderbeck - Pickering Firm Don Dotson - Geo SSG Sal Vilches, PE - Michael Baker Dan Work - Vanderbilt Wesley Goodnight - MLGW & Evan Boulanger - TDOT
