## VTASCE Monthly News and Updates

This month we are looking for our next Vermont Section ASCE chapter leaders. Were you part of ASCE in College and are looking to get involved professionally? Are you looking to make a difference in the field of Civil Engineering? Are you looking to grow as leader in the civil engineering community? Please reach out to join our board immediately and you will be part of a long history of successful engineers including 7 of the last 11 Young Engineer of the Year Award recipients. We're looking for well organized, self motivated civil engineers excited about what we do. Below are open volunteer positions we're currently seeking to fill:

**Secretary** - Take meeting notes for each of our monthly board meetings, coordinate events assist with Meeting Agendas.

**Membership Chair** - Keep the group informed about current membership levels and grow the chapter by coming up with ways to encourage new members to join as well as reaching out to members to renew.

**Newsletter Editor** - Send the newsletter out monthly working closely with Board Members to create content such as job advertisements, presidents message, events and more. Position has historically been held by a college student.

As a member of our board you will be given a chance to travel to conferences on ASCE paid trips to various locations across the country to learn how you can make our Section more valuable to our members. If you are interested in being on the ballot, please do not hesitate to reach out at [vermontasce@gmail.com](mailto:vermontasce@gmail.com).

### VTASCE Student and Member Ski Day

We had a fantastic day on the slopes this year with just over 45 attendees at our annual ski day at Sugarbush. Thanks for all those who attended and to our sponsors for covering the costs for several of our student members.
