

## Board of Director Nominations Close in One Week!

We are still accepting nominations for the 2025–2026 ASCE Wisconsin Section Board of Directors! Serving on the Board is a rewarding opportunity to grow as a leader, expand your professional network, and shape the future of civil engineering in Wisconsin.

Do you have a vision for strengthening the Wisconsin Section and inspiring greater member engagement? **Bring your energy and ideas—we'd love to have you on the team!.**

### Open Positions:

- [President Elect](#) (3-year term: President Elect → President → Past President)
- [Director at Large](#) – 2 openings (2-year term)

Self-nominations are highly encouraged! All nominees must be ASCE members in good standing. Terms begin October 1, 2025 and meetings are held virtually on a bi-monthly schedule.

**Nomination Deadline:** To ensure that all interested members are able to get their nominations in, the deadline has been extended to **Friday, August 29th!**

**Make your voice heard—step into a leadership role and help shape the direction of ASCE Wisconsin.**

## Structural Technical Committee Chair Still Needed!

*This is not an elected position.* As the Structural Technical Committee Chair, you will help shape programming for the Spring Technical Conference and Annual Meeting while serving as a liaison between the Wisconsin Section and National Technical Committees and Institutes. It's a great way to get involved and make a meaningful contribution to the Section.

## Annual Meeting Sponsorship Opportunities

Sponsorships are key to the success of our events! They help keep costs down, attract top-tier speakers, and create valuable networking opportunities for attendees—all while showcasing your company's commitment to the civil engineering community.

Early sponsors enjoy maximum visibility through event promotions leading up to the meeting, including placement on our website, emails, and social media. Please consider one of the sponsorship opportunities outlined below!
