

2024

REPORT CARD FOR
WISCONSIN'S
INFRASTRUCTURE

Webinar Series Presents:

INLAND WATERWAYS & PORTS

November 14, 2024 12:00-1:30 pm via Zoom

Wisconsin's Inland Waterways (primarily the Mississippi River) and Ports (29 harbors and eight major ports) support thousands of jobs, over a billion dollars of economic activity and reduced road congestion. Join the LWVWI and ASCE-WI webinar to learn how we can raise the grade for **Inland Waterways (C-) and Ports (B-), November 14, 2024 from 12:00 to 1:30 pm**. Sign up for information below.

Read the 2024 Report Card for Wisconsin's Infrastructure: www.infrastructurereportcard.org/wisconsin/
